Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plant Society Inc. (AUSCPS) that documents the meetings, news, and events of the Society.

The current committee of the AUSCPS comprises:

COMMITTEE

President - David Colbourn
davecolbourn@gmail.com

Vice President - Robert Little
robertjameslittle@yahoo.com.au

Treasurer - Wesley Fairhall
wesleyfairhall7@gmail.com

Secretary - Kirk 'Füzzzy' Hirsch
mijmark@ihug.com.au

General Committee Member - Brendan Hooghuis

DELEGATES

Journal Editor - Dr. Robert Gibson

Sydney Coordinator - Wesley Fairhall
wesleyfairhall7@gmail.com

Newsletter Editor – Glenn Carson
glenncarson@iinet.net.au

Sydney Coordinator- Kirk 'Füzzzy' Hirsch
mijmark@ihug.com.au

Public Officer - Kirk 'Füzzzy' Hirsch
mijmark@ihug.com.au
0421 271 888

Brisbane Coordinator - Alan Haase
alanjhaase@gmail.com

Website Manager - Marina Chong

Brisbane Coordinator - Brent Jones
brent.jones@outlook.com

Social Media Manager - Glen Moss

Canberra Coordinator - Robert Little
robertjameslittle@yahoo.com.au
0402 130 171

Merchandise Manager - David Colbourn
davecolbourn@gmail.com

Canberra Coordinator - Vacant

Events Coordinator - Vacant

Library Manager - Glenn Carson
glenncarson@iinet.net.au

Seed Bank Manager - Marlon Maclean
marlonjamesmaclean@gmail.com

CALENDAR

MAY		
5th May 2023	AUSCPS meeting - Canberra featuring Australian <i>Drosera</i>	
12th May 2023	AUSCPS meeting - Sydney featuring <i>Nepenthes</i>	
17th May 2023	AUSCPS meeting - Brisbane (bring your favourite plant)	
JUNE		
2nd Jun 2023	AUSCPS meeting - Canberra featuring Australian <i>Drosera</i> , <i>Byblis</i> and <i>Drosophyllum</i>	
9th Jun 2023	AUSCPS meeting - Sydney featuring <i>Cephalotus</i> , <i>Heliophora</i> and Carnivorous Bromeliads	
JULY		
7th Jul 2023	AUSCPS meeting - Canberra	
14th Jul 2023	AUSCPS meeting - Sydney featuring winter growing <i>Drosera</i> and <i>Utricularia</i>	
14th Jul 2023	AUSCPS Annual General Meeting - Sydney	
AUGUST		
4th Aug 2023	AUSCPS meeting - Canberra	
11th Aug 2023	AUSCPS meeting - Sydney featuring <i>Drosophyllum</i> , <i>Roridula</i> and perennial <i>Byblis</i>	
SEPTEMBER		
1st Sep 2023	AUSCPS meeting - Canberra	
8th Sep 2023	AUSCPS meeting - Sydney featuring Australian native carnivorous plants	
OCTOBER		
6th Oct 2023	AUSCPS meeting - Canberra	
13th Oct 2023	AUSCPS meeting - Sydney featuring <i>Utricularia</i> and <i>Genlisea</i>	
NOVEMBER		
3th Nov 2023	AUSCPS meeting - Canberra	
10th Nov 2023	AUSCPS meeting - Sydney featuring <i>Sarracenia</i>	
DECEMBER		
2nd Dec 2023	AUSCPS meeting - Canberra	
9th Dec 2023	AUSCPS meeting - Sydney - Annual Show	
JANUARY		
5th Jan 2024	AUSCPS meeting - Canberra	
12th Jan 2024	AUSCPS meeting - Sydney featuring <i>Dionaea</i> & <i>Aldrovanda</i>	
FEBRUARY		
3rd Feb 2024	AUSCPS meeting - Canberra featuring <i>Darlingtonia californica</i> and <i>Cephalotus follicularis</i>	
10th Feb 2024	AUSCPS meeting - Sydney featuring summer growing <i>Drosera</i> and Annual <i>Byblis</i>	
MARCH		
1st Mar 2024	AUSCPS meeting - Canberra featuring <i>Nepenthes</i>	
8th Mar 2024	AUSCPS meeting - Sydney featuring <i>Pinguicula</i>	
APRIL		
5th Apr 2024	AUSCPS meeting - Canberra featuring <i>Sarracenia leucophylla</i> and its hybrids	
12th Apr 2024	AUSCPS meeting - Sydney featuring <i>Sarracenia</i> and <i>Darlingtonia</i>	

NEWS

MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not for profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad.

JOIN NOW

Becoming a member of our society offers great benefits such as receiving two editions of our journal, *Carniflora Australis*, 12 monthly newsletters, *Carniflora News*, seed subsidies, discounts on merchandise, access to our free library, and the ability to sell plants at fairs and events attended by the Society. Simply fill out the membership form included in our newsletter and follow the payment instructions.

INSTAGRAM PHOTOS

We are looking to expand our file of quality photographs used in the newsletter and on our Social Media platforms. If you have any photos that you think may be suitable for publication, please forward them to glenncarson@inet.net.au

ARTICLES FOR CARNIFLORA AUSTRALIS

We are getting a little light for articles in forthcoming editions of *Carniflora Australis*. If you have an idea for an article, put pen to paper and send us your contribution. We can help fine tune any article.

Your article may be about the following:

- * particular cultivation techniques,
- * field trips to see carnivorous plants,
- * propagation techniques,
- * your favourite plant and why,
- * how your collection started, and
- * feeding and conditions.

NEW PINGS

The largest carnivorous plant family *Lentibulariaceae* is now a little bigger, with two new species of *Pinguicula* (butterwort) discovered in South America. *Pinguicula jimburensis* and *P. ombrophila* are striking plants, each only found at a single remote location in the high Andes of southern Ecuador near the Peruvian border. Researchers from Ecuador, Germany and the USA described the plants in the journal *PhytoKeys*. They also re-evaluated *P. calyptrata*, which was previously the only butterwort species known from Ecuador.

Pérez ÁJ, Tobar F, Burgess KS, Henning T (2023). Contributions to Ecuadorian butterworts (Lentibulariaceae, Pinguicula): two new species and a re-evaluation of *Pinguicula calyptrata*. *PhytoKeys* 222: 153- 171.

<https://doi.org/10.3897/phytokeys.222.98139>

NEW NEPENTHES

Three new *Nepenthes* species from Peninsular Malaysia have been described in two papers: *N. berbulu*, *N. sericea* and *N. ulukaliana*. All three are closely related to *N. macfarlanei*, with which they form a revised group along with *N. alba* and *N. gracillima*. The plants are found above about 1000m elevation in the Titiwangsa mountain range.

Lim G, Golos MR, Mey FS, Wistuba A, McPherson SR, Robinson AS 2023. Delimitation of the *Nepenthes macfarlanei* group with two species described as new. In: McPherson SR. *Nepenthes: The Tropical Pitcher Plants*, vol. 3, Redfern Natural History Productions, Poole, pp. 2084-2195.

Tan HL, Lim G, Mey FS, Golos MR, Wistuba A, McPherson SR, Robinson AS 2023. *Nepenthes berbulu* (Nepenthaceae), a pitcher plant from Peninsular Malaysia with remarkably long lid bristles. *Carniv. Pl. Newslett.* 52(1):15-43.

<https://doi.org/10.55360/cpn521.fm322>

CARNIFLORA AUSTRALIS MARCH 2023

The Journal of the Australian Carnivorous Plant Society Inc. is available.

Articles included are:

How to build a mini planthouse - Bruce Pierson

Pinguicula emarginata x *moranensis* - Robert Gibson

Drosera aff. *gunniana* - David Colbourn

Aldrovanda - Kirk 'Fuzzy' Hirsch

Carnivorous plants that feature on postage stamps (2010-2019): Part 1 - David Colbourn

The Great Escape - *Nepenthes* climb out of their pots - Robert Gibson

THE ROYAL EASTER SHOW

The AUSCPS sponsors the Carnivorous Plant competition at the Royal Easter Show in Sydney. The Show ran from the 6th to the 1st of April 2023 with the Carnivorous Plant competition being held on Friday the 6th of April. The displays were there until Saturday the 7th April. There was a good number of entrants this year. The winners were:

Nepenthes maxima 'Wavy Leaf' - Glenn Carson

Cephalotus follicularis - David Colbourn

Nepenthes amullaria x (sib x ventricosa) - Ivan Thong

Dionaea muscipula 'Tatoo' - Owen O'Neill

Sarracenia purpurea ssp. venosa - Glenn Carson

Drosera aliciae - David Colbourn

Heliamphora nutans - Glenn Carson

Sarracenia formosa - Owen O'Neill

Presenting Ivan Thong with his winning
Champion Carnivorous Plant trophy

ANNUAL GENERAL MEETING

NOMINATIONS FOR THE COMMITTEE

Our A.G.M. is planned for 14th July, 2023 meeting in Sydney. One of the objectives at this meeting is to elect committee members. We are now a national society, and as such, members from across Australia are eligible to be nominated for each position. A description of each elected position is contained below. Included with this newsletter are instructions on how to nominate members for the listed positions and a nomination form.

A list of nominations will then be published in June and voted on at the A.G.M. Interstate / international members will be able to make their vote via proxy. Please consider volunteering for the Society by standing for one of the roles.

The roles and their descriptions are:

President - The President oversees all the Society's activities and will chair General, Extraordinary, and Annual General meetings in accordance with proper business meeting etiquette. The President casts the 'Deciding Vote' in the event of a deadlock arising from a motion or other matters requiring a vote at Committee level. The President will need good communication, people management, motivational, organisational and delegation skills.

Vice President - The Vice President is responsible for the overall operation of the Society in the absence or otherwise incapacity of the President. The Vice President requires good communication, teamwork and organisational skills.

Treasurer - The Treasurer shall ensure that correct books and accounts are kept showing the financial affairs of the Society. These records shall be available for inspection by any member and shall be held in the custody of the Treasurer. A financial report is to be presented at the A.G.M. The Treasurer will need good accounting and communication skills.

Secretary - The Secretary unless another person is so appointed by the Committee is responsible for the incoming and outgoing business correspondence for the Society. Including but not limited to reading emails and letters, and mail out of Journals. The Secretary shall ensure that records of the Constitution/Rules of the Society and minutes of all general and committee meetings are kept. These records shall be available for inspection by any member and shall be held in the custody of the Secretary.

Membership Secretary - The Membership Officer is automatically appointed as Public Officer unless another person is so appointed by the Committee and shall ensure that the register of members is kept up to date. Membership records shall be available for inspection by any member and shall be held in the custody of the Membership Secretary.

MEETINGS

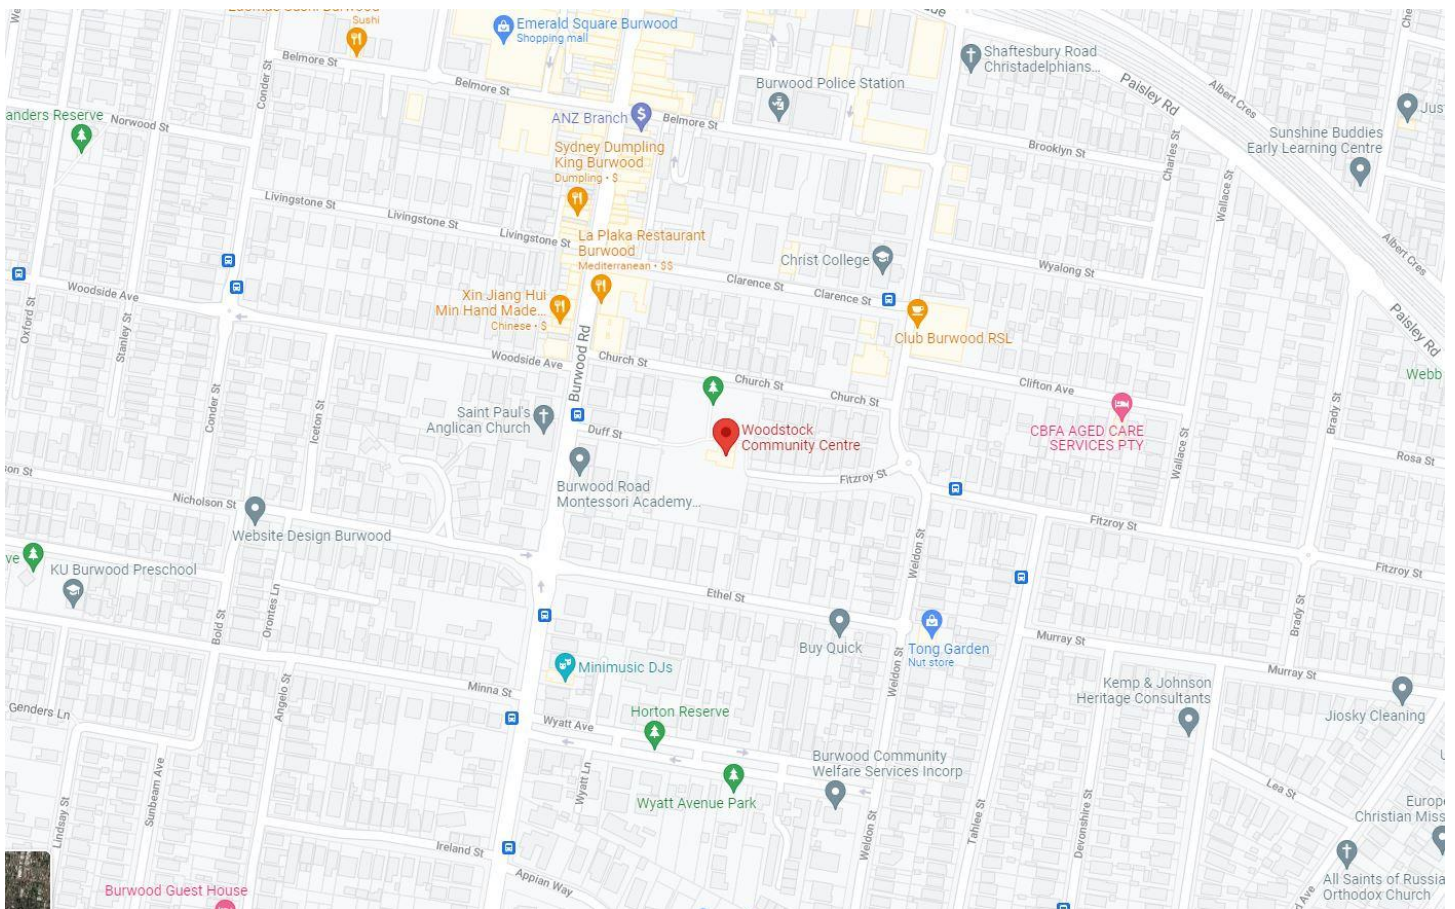

The Australasian Carnivorous Plant Society Inc. currently holds meetings in New South Wales and the Australian Capital Territory. Meetings are a great place for members and friends to socialise, share experiences, buy, swap, and sell carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering carnivorous plants in the wild, or how best to cultivate them in your environment.

We hope you can attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

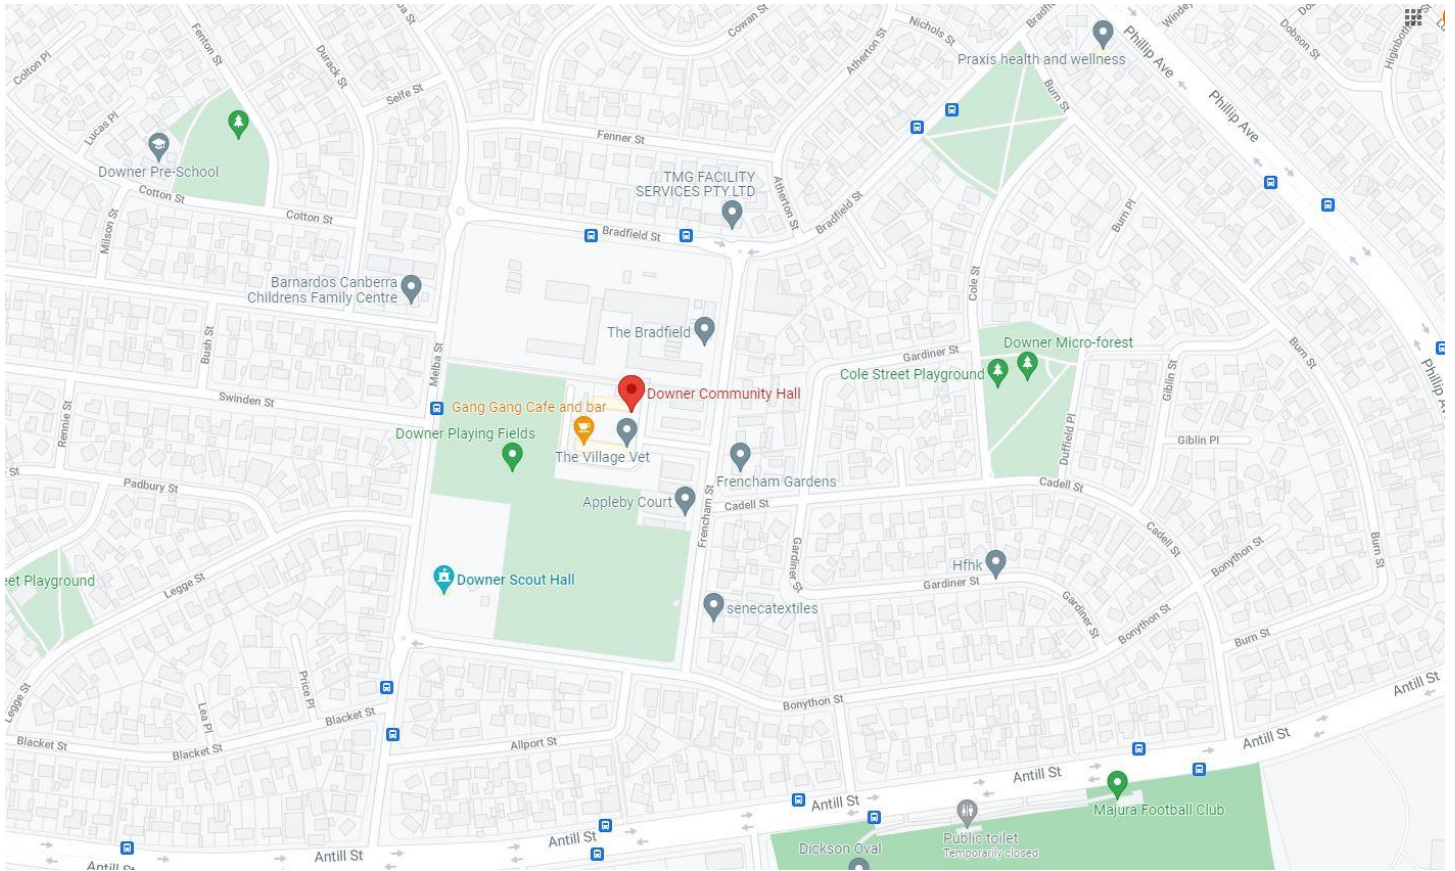

SYDNEY

The Sydney chapter of the AUSCPS meets at 7:30 pm on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood, NSW. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Kirk on 0421 271 888 or David on 0410 643 531 if you have any questions about attending meetings.

CANBERRA

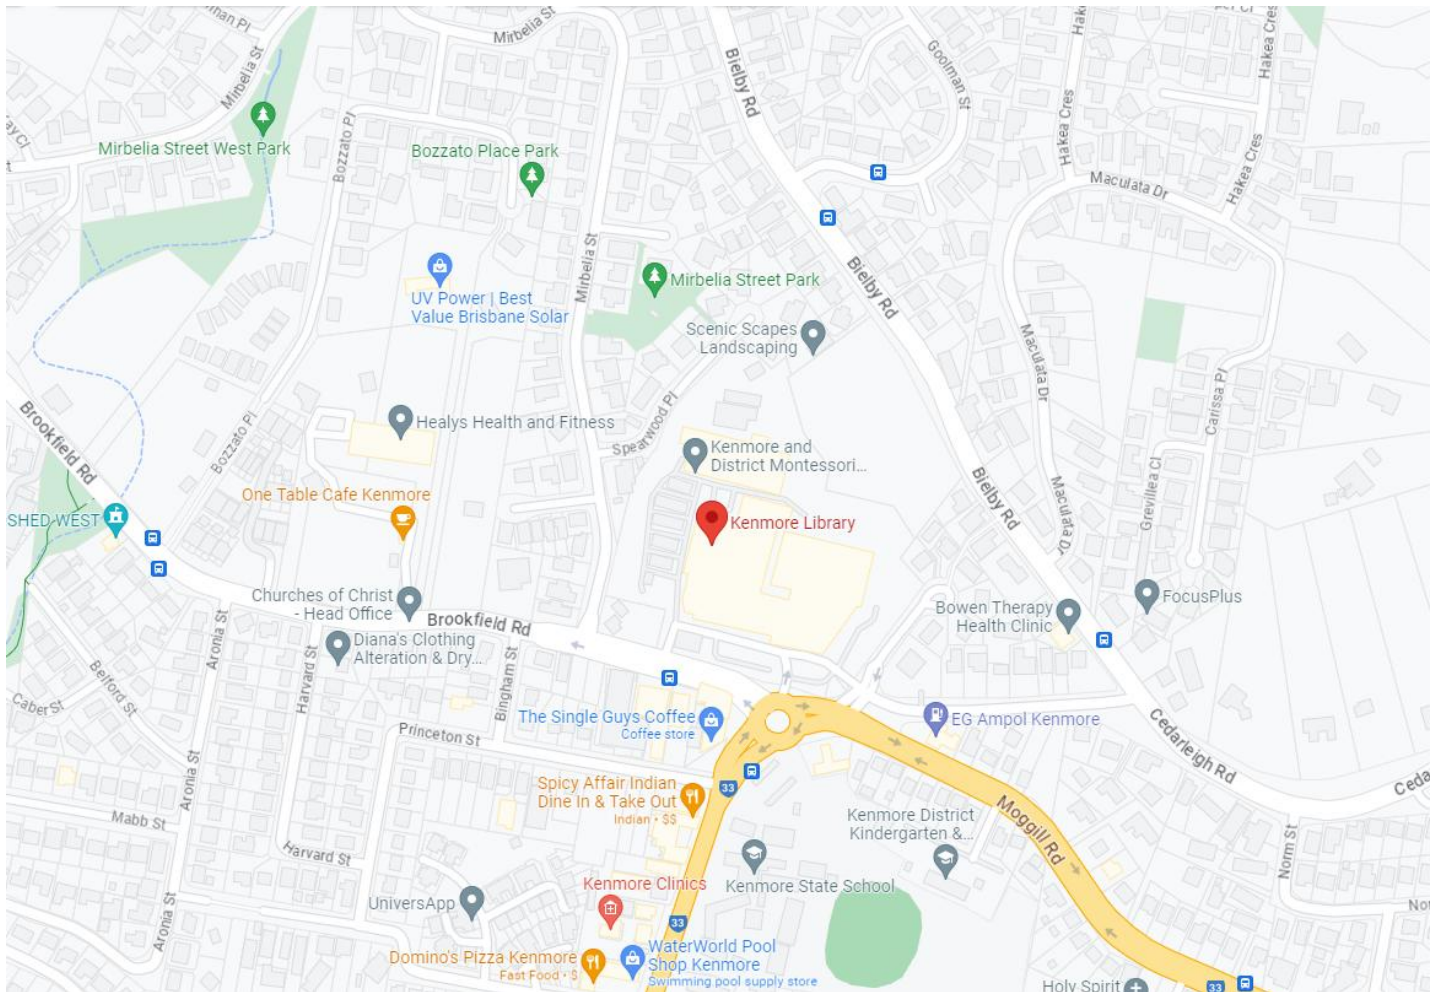

The Canberra chapter of the AUSCPS meets at 7:30 pm on the first Friday of each month at the Dickson Community Hall, Frencham Place, Downer, A.C.T. Call Robert if you have any questions about attending meetings on 0402 130 171.

BRISBANE

We are happy to announce that the Brisbane chapter of the AUSCPS will recommence 17th May, 2023 from 7pm to 9pm at the Kenmore Library, Kenmore Village, 9 Brookfield Road, Kenmore, QLD, 4069

Please contact Alan at alanjhaase@gmail.com for further details

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.

HELD ON FRIDAY, 14th APRIL, 2023

DOWNER COMMUNITY CENTRE

This meeting was cancelled.

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.

HELD ON FRIDAY, 14TH APRIL, 2023

WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD

The meeting opened at 7:30 p.m.

PRESENT

There were 16 members in attendance.

APOLOGIES

Paul Fraser, Helmut Kibellis, Robert Gibson and Kirk Hirsch

MINUTES OF PREVIOUS MEETING

The minutes of the 12th April, 2023 meeting were tabled. Those present were asked to confirm the accuracy of the minutes and to suggest changes, omissions or corrections. In the absence of any corrections, omissions or changes a motion was raised that the minutes be accepted.

Moved by: Glenn Carson
Seconded by: Bob Jurd
Motion: Carried

BUSINESS ARISING

Most of the stalls at the Collectors' Plant Fair will be on hard ground again this year to prevent damage to the grass area due to the heavy rains. Our stall will be on the driest grassy area near where we were situated last year. Our stall is number 76.

Opening hours Saturday 8am to 4pm and Sunday 9am to 4pm

Entry fee is \$17 and you can use your Discover voucher for the 2 days

We have enough volunteers for the 2 days, thank you.

CORRESPONDENCE

Incoming:

N/A

Outgoing:

Dave to be reimbursed for cost in printing the Field Guide, latest Journal and postage costs.

TREASURER'S REPORT

There's \$7,600+ in the bank, plus a small amount in the frog, mostly coin.

MEMBERSHIP REPORT

Kirk was not present to present the report.

GENERAL BUSINESS

1. The Royal Easter Show was held on 6-7th April. There was a good display of plants. The Grand Champion plant was Nepenthes 'Bloody Mary' grown by Ivan Thong. Thank you to Marlon for doing the talk. You did a great job.
2. The Collectors' Plant Fair at Clarendon is scheduled for April 15th and 16th. We are able to take card payments this year through the purchase of a Square Card reader.
3. The Wollondilly Shire Council is organising a plant fair and garden expo on October 30th at Picton Botanic Gardens, Regreme Road, Picton NSW. Fuzzy has shared the event details in the society's Gmail account under 'Events' folder. The society is considering attending next year since many more Sarracenia plants will be in good condition by that time. Various nods indicated that no one opposed the idea.
4. The Carnivorous Plant Society in London has invited members of the Australian Carnivorous Plant Society to participate in a questionnaire to develop growing tips for carnivorous plants.
The questionnaire is being organised by Ms. Mollie Brown, and her contact email is mollie@horticulture.co.uk. More information about the survey's organisation is available at <http://www.horticulture.co.uk>.
5. Thanks to Jeff Williams who has generously offered to give a talk about carnivorous plants to the Willoughby Garden Club and other interested individuals.
6. The second edition of the Field Guide to the Carnivorous Plants of Sydney and the Blue Mountains is out now. The price has been set at \$20 and \$15 for members.
7. Work continues on the Field Guide to the Carnivorous Plants of Cairns and the Atherton Tableland.

PLANT OF THE MONTH: *Sarracenia* and *Darlingtonia*

The following plants were presented:

1. *S. psittacina* f. Giant
2. *S. purpurea* ssp. *venosa*
3. *S. 'Umluftiana'*
4. *S. 'Scarlet Belle'*
5. *S. psittacina* 'Okefenoke'
6. *S. 'Excellens'* (Orange flower)
7. *S. 'Excellens'* (Yellow flower)
8. *S. leucophylla*

David Colbourn

Sean Polivnick
Sean Polivnick

The winner of '**Plant of the Month**' was: *Sarracenia* 'Umluftiana' grown by Dave Colbourn.

The meeting closed at 8:00 p.m.

The next meeting to be held at Burwood Community Centre on Friday 12th May, 2023 starting at 7:30 pm. at which the plant of the month is *Nepenthes*. Confirming that these minutes are a true and accurate record of the meeting

.....
David Colbourn

Date:

S. psittacina 'Ofekenofee'

S. leucophylla

S. purpurea ssp. venosa

Wesley Fairhall presenting

S. 'Umluftiana'

IN THE GREENHOUSE

ALDROVANDA

Plants will enter dormancy soon and survive winter as floating turion in cold climates.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Fertilise with a diluted foliar application of urea free fertiliser.

BYBLIS

Byblis gigantea and lamellata are now in active growth. Keep the soil moist to wet. Treat seed with Ga3 or smoke water and sow in early autumn.

The northern annual species of Byblis will soon finish their life cycle. Harvest seed.

Growth rates for all species of Byblis may be accelerated with increased prey capture or fertilisation. Place some rotting fruit around the plants or sprinkle granulated fish food onto the leaves. Pollinate the flowers using the “buzz” technique.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Leaf production will soon replace trap production.

DARLINGTONIA

Darlingtonia will soon enter dormancy. Keep the plants cold to prolong the dormancy.

DIONAEA

All VFTs will soon enter dormancy. Dead traps can be removed to allow top soil to breathe. Reduce water but keep moist.

DROSERA

Tuberous Drosera begin to break dormancy. Increase watering and expose to bright or direct light. Treat seed with Ga3 or smoke water and sow in early autumn.

Pygmy Drosera begin to produce gemmae. Harvest and place the gemmae on a peat:sand mix (1:1). Mist spray until the tap root forms.

Other Winter growing species such as *D. cistiflora* and *D. pauciflora* commence growth. Treat seed with Ga3 or smoke water and sow in early autumn.

Tropical and sub-tropical species will be in full growth and flower. Keep the soil very moist. and keep the plants warm. Collect seed and sow onto a peat-based media.

Temperate Drosera such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* enter dormancy and form a winter hibernacula.

DROSOPHYLLUM

Drosophyllum will be in active growth. Growth rates increase with increased prey capture and the cooler weather. Seed may be sown now. Scarify the hard seed coat or pour boiling water over the seed for a few seconds and then soak in water for 24 hours before sowing.

GENLISEA

Genlisea should be in flower and active growth. Keep warm and the water levels high.

HELIAMPHORA

Keep plants in a bright and very humid location. Avoid temperatures over 30°C. Fertilise with a diluted foliar application of urea free fertiliser every 2-4 weeks.

NEPENTHES

Autumn is a good time for Nepenthes. Aim to keep the lowland plants warm to hot and in high humidity. Highland species will enjoy the cooler nights. Mist in the afternoon to reduce air temperatures and increase humidity.

PINGUICULA

Mexican species/hybrids begin to enter dormancy and produce small succulent rosettes. Reduce watering and humidity.

Warm-temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula is in active growth. Flowering ends. Harvest any seed and sow in autumn. Keep the soil moist and place in a very bright and airy situation with low humidity.

SARRACENIA

Sarracenia will soon enter dormancy. Leave the old trap on the plant. Keep moist.

UTRICULARIA

Most terrestrial Utricularia will be in active growth and flower. Keep moist to wet. Aquatic Utricularia are in active growth. Keep algae under control.

Winter growing species, such as *U. multifida* and *U. menziesii* resume growth. Keep moist to wet.

Tropical Utricularia - Maintain higher temperatures, humidity and air movement. Keep soils moist.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

BASEBALL CAPS

Baseball caps printed with our logo on the front and name on the back are now available on order for \$35 each. To order, contact David at auscps@gmail.com

T-SHIRTS

T-shirts printed with our logo on the front are available for \$35 each. These T-Shirts are a great way to promote and support the Society at functions and shows. To order the T-Shirts, contact David at auscps@gmail.com.

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc., that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Marlon Maclean at marlonjamesmaclean@gmail.com

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Manager is Marlon Maclean at marlonjamesmaclean@gmail.com. The seed bank list is contained at the end of this newsletter.

POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

THE SAVAGE GARDEN

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$35 and to non-members for \$40. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at auscps@gmail.com to order.

MEMBERSHIP FORM

The Australasian Carnivorous Plant Society Inc. is a non-profit organisation formed in December 2002 to promote the education, cultivation and conservation of carnivorous plants. The Society formed from the New South Wales Carnivorous Plant Society Inc. which was established in 1986 and produced the journal *Flytrap News*.

Annual membership entitles you access to our subsidised seed bank and merchandise, ability to sell plants at official stalls at which the society participates, free entry to our Annual Show competition, monthly E-newsletters, and two editions of ***Carniflora Australis***, our high quality biannual journal. Membership is \$35 per year, however if you wish to receive electronic versions of the journal, membership is only \$25 per year (valid email address is required). Payment options are detailed below:

CASH, MONEY ORDER OR CHEQUE

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:

Membership Secretary
Australasian Carnivorous Plant Society Inc.
