

THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.

# CARNIFLORA NEWS

A.B.N. 65 467 893 226

September 2023

*Drosophyllum lusitanicum*- grown by David Colbourn

Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plant Society Inc. (AUSCPS) that documents the meetings, news, and events of the Society.

The current committee of the AUSCPS comprises:

### **COMMITTEE**

**President** - David Colbourn  
[davecolbourn@gmail.com](mailto:davecolbourn@gmail.com)

**Vice President** - Robert Little  
[robertjameslittle@yahoo.com.au](mailto:robertjameslittle@yahoo.com.au)

**Treasurer** - Wesley Fairhall  
[wesleyfairhall7@gmail.com](mailto:wesleyfairhall7@gmail.com)

**Secretary** - Paul Fisher

**Membership Secretary** - Kirk 'Füzzzy' Hirsch  
[mijmark@ihug.com.au](mailto:mijmark@ihug.com.au)

**General Committee Member** - Glenn Carson

### **DELEGATES**

**Journal Editor** - Dr. Robert Gibson

**Sydney Coordinator** - Wesley Fairhall  
[wesleyfairhall7@gmail.com](mailto:wesleyfairhall7@gmail.com)

**Newsletter Editor** – Glenn Carson  
[glenncarson@iinet.net.au](mailto:glenncarson@iinet.net.au)

**Sydney Coordinator** -Kirk 'Füzzzy' Hirsch  
[mijmark@ihug.com.au](mailto:mijmark@ihug.com.au)

**Public Officer** - Kirk 'Füzzzy' Hirsch  
[mijmark@ihug.com.au](mailto:mijmark@ihug.com.au)  
0421 271 888

**Brisbane Coordinator** - Alan Haase  
[alanjhaase@gmail.com](mailto:alanjhaase@gmail.com)

**Website Manager** - Marina Chong

**Brisbane Coordinator** - Brent Jones  
[brent.jones@outlook.com](mailto:brent.jones@outlook.com)

**Social Media Manager** - Glen Moss

**Canberra Coordinator** - John Nielson  
[zelotypia.stacyi@gmail.com](mailto:zelotypia.stacyi@gmail.com)

**Merchandise Manager** - David Colbourn  
[davecolbourn@gmail.com](mailto:davecolbourn@gmail.com)

**Canberra Coordinator** - Cassie Rogers  
[bonnie.nepenthes@gmail.com](mailto:bonnie.nepenthes@gmail.com)

**Events Coordinator** - Vacant

**Library Manager** - Glenn Carson  
[glenncarson@iinet.net.au](mailto:glenncarson@iinet.net.au)

**Seed Bank Manager** - Marlon Maclean  
[marlonjamesmaclean@gmail.com](mailto:marlonjamesmaclean@gmail.com)

## CALENDAR

### SEPTEMBER

1st Sep 2023 AUSCPS meeting - Canberra featuring *Sarracenia* division and care by John Nielson  
8th Sep 2023 AUSCPS meeting - Sydney featuring Australian native carnivorous plants  
8th Sep 2023 AUSCPS meeting - Sydney - *Sarracenia* Taxonomy presentation - John Nielson  
16-17th Sep 2023 **Kariong Plant Lovers Fair**  
20th Sep 2023 AUSCPS meeting - Brisbane

### OCTOBER

6th Oct 2023 AUSCPS meeting - Canberra  
13th Oct 2023 AUSCPS meeting - Sydney featuring *Utricularia* and *Genlisea*  
18th Oct 2023 AUSCPS meeting - Brisbane

### NOVEMBER

3rd Nov 2023 AUSCPS meeting - Canberra  
5th Nov 2023 **Bloom: Wollondilly Garden Expo & Plant Fair**  
10th Nov 2023 AUSCPS meeting - Sydney featuring *Sarracenia*  
15th Nov 2023 AUSCPS meeting - Brisbane

### DECEMBER

2nd Dec 2023 AUSCPS meeting - Canberra  
6th Dec 2023 AUSCPS meeting - Brisbane  
9th Dec 2023 **AUSCPS meeting and Sydney Annual Show (Saturday)**

### JANUARY

5th Jan 2024 AUSCPS meeting - Canberra  
12th Jan 2024 AUSCPS meeting - Sydney featuring *Dionaea* & *Aldrovanda*

### FEBRUARY

3rd Feb 2024 AUSCPS meeting - Canberra  
10th Feb 2024 AUSCPS meeting - Sydney featuring summer growing *Drosera* and Annual *Byblis*

### MARCH

1st Mar 2024 AUSCPS meeting - Canberra  
8th Mar 2024 AUSCPS meeting - Sydney featuring *Pinguicula*  
22nd Mar 2024 **Sydney Royal Easter Show**

### APRIL

5th Apr 2024 AUSCPS meeting - Canberra  
12th Apr 2024 AUSCPS meeting - Sydney featuring *Sarracenia* and *Darlingtonia*  
Apr 2024 **Clarendon Plant Fair - TBA**

### MAY

3rd May 2024 AUSCPS meeting - Canberra  
10th May 2024 AUSCPS meeting - Sydney featuring *Nepenthes*

### JUNE

7th Jun 2024 AUSCPS meeting - Canberra  
14th Jun 2024 AUSCPS meeting - Sydney featuring *Cephalotus*, *Heliamphora* and Carnivorous *Bromeliads*

### JULY

5th Jul 2024 AUSCPS meeting - Canberra  
12th Jul 2024 AUSCPS meeting - Sydney featuring winter growing *Drosera* and *Utricularia*  
12th Jul 2024 **AUSCPS Annual General Meeting - Sydney**

### AUGUST

2nd Aug 2024 AUSCPS meeting - Canberra  
9th Aug 2024 AUSCPS meeting - Sydney featuring *Drosophyllum*, *Roridula* and perennial *Byblis*

## NEWS

### MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not for profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad.

**JOIN NOW**

Becoming a member of our society offers great benefits such as receiving two editions of our journal, *Carniflora Australis*, 12 monthly newsletters, *Carniflora News*, seed subsidies, discounts on merchandise, access to our free library, and the ability to sell plants at fairs and events attended by the Society. Simply fill out the membership form included in our newsletter and follow the payment instructions.

### INSTAGRAM PHOTOS

We are looking to expand our file of quality photographs used in the newsletter and on our Social Media platforms. If you have any photos that you think may be suitable for publication, please forward them to [glenncarson@iinet.net.au](mailto:glenncarson@iinet.net.au)

### FIELD TRIP 2023

Visiting carnivorous plants in their natural habitat is a unique and exciting opportunity to witness their fascinating feeding mechanisms. We will be visiting the Blue Mountains and its surrounds most likely in September.

If you are interested in joining us on a field trip, it is important to note that several safety precautions must be taken to ensure everyone's well-being. It is recommended to wear a hat, long-sleeved shirts, pants, and closed-toe shoes to avoid contact with poisonous animals, plants and insects. Additionally, bringing along insect repellent, sunscreen, and plenty of water will make the day more comfortable.

If you are willing to drive, please let us know as we may need several vehicles to transport everyone to the sites. We look forward to exploring the natural world with you and learning more about these fascinating plants. **Please send an email with your name and number of guests to the society at [AUSCPS@gmail.com](mailto:AUSCPS@gmail.com) if you would love to join us.**

### CALL FOR ARTICLES: CARNIFLORA AUSTRALIS

We are currently low on content for our upcoming editions of *Carniflora Australis*. Do you have an idea for an article? Write it down and send it our way! We are happy to assist with polishing your piece. Below are some suggestions for article topics:

- Specific cultivation techniques
- Carnivorous plant field trips
- Propagation techniques

- Your favorite plant and why
- How your collection began
- Feeding and care tips

Don't hesitate to contribute to our publication. We look forward to reading your submissions!

## **SEEDBANK**

The current list of seeds in the Seedbank is very large. Rather than bring it to every meeting, which can be difficult, it is recommended that seeds are ordered via email. After payment has been received the specific order can be brought along to the meetings or posted in the normal way.

## **FOR SALE**

John Nielson, one of our Canberra Coordinators, will be presenting a talk on Sarracenia Taxonomy as well as bringing many sarracenia rhizome cutting for sale at our September meeting. Don't miss out on this rare opportunity to pick up some bargains. Photos of some of the rhizomes available are in the Canberra Chapter minutes section.

We have secured a double stall at the Kariong Rare Plant Fair! With additional passes for volunteers, we have a great opportunity to showcase our plants and connect with potential customers.

As the fair is on the 16th and 17th of September, we have a double stall. Firstly, consider the layout of our stall and how we want to display our plants. Make sure to bring enough stock to fill our double stall, and consider bringing some extra plants in case we sell out of certain varieties on the first day.

Secondly, we need to think about how we want to market our plants. Consider creating eye-catching signs and posters, and make sure to have clear pricing information for all of your products. You may also want to consider offering special deals or discounts to entice customers to make a purchase.

Finally, don't forget to bring plenty of water and snacks for yourself and our volunteers. It's also a good idea to have some chairs or seating available, in case you or our volunteers need to take a break during the day.

Overall, with our double stall and volunteer passes, we have a great opportunity to showcase our plants and connect with potential customers at the Kariong Rare Plant Fair. With some careful planning and preparation, we're sure to have a successful day.

If you are a member and would like to volunteer, the best way is to let us know of your intent at any meeting or by emailing [auscps@gmail.com](mailto:auscps@gmail.com)

## **INTERNATIONAL CARNIVOROUS PLANT SOCIETY NEWS**

An article of special interest in the September issue is the species description of *Nepenthes limiana*. As you read the botanical history of *Nepenthes limiana*, notice how at first various (famous) taxonomists shoehorned the dried, squashed plants mounted as herbarium specimens with existing species or called them a hybrid. This is science in action. Really. When you have too little data to

understand something, you just park it somewhere convenient and move on until you or someone else can get additional data later, in this case much later. It took quite a few expeditions to fully understand about *Nepenthes limiana* and the other known *Nepenthes* species in peninsular Malaysia. Chances are additional expeditions in the area could accumulate enough additional data to help delimit other *Nepenthes* that are not now recognised as separate species. Also, notice in the article at the end there are several new questions related to *Nepenthes limiana*. That is also science in action. The more you know the more you know you don't know. We hope to publish more of this story in the future.

### Contents of Volume 52 Number 3, September 2023

- **13th ICPS International Conference, Japan**
- **14th ICPS International Conference, Austria**
- ***Nepenthes limiana* (Nepenthaceae), a new pitcher plant from the northern Titiwangsa Range of Peninsular Malaysia** — Michal R. Golos and François Sockhom Mey and Andreas Wistuba and Gideon Lim and Stewart R. McPherson and Alastair S. Robinson
- **Quick note: *Byblis gigantea* and *B. liniflora* traps work the same** — Miloslav Studnicka
- **Successful cultivation of *Darlingtonia californica* in a hot climate via root zone chilling** — Shawn Lyons
- **An inexpensive growth chamber for *Heliamphora*** — Gregory Beylin
- **Education Corner** — Kenny Coogan
- **New cultivars** — Mark Rubnitz and Mark S. Anderson and Sergio Mejias Hinojosa and Zihang Qiu

# MEETINGS

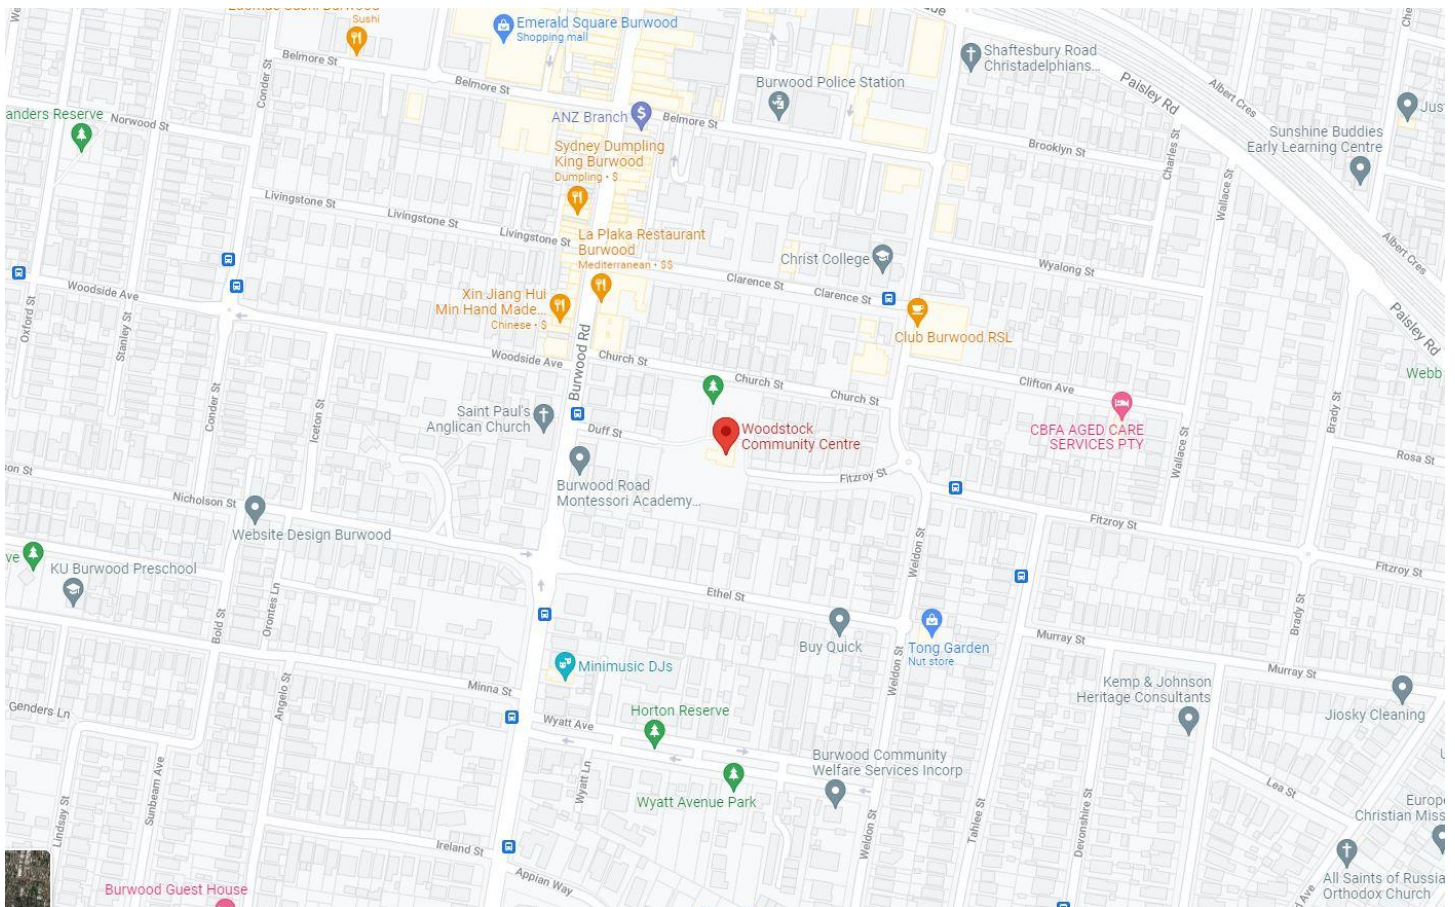

The Australasian Carnivorous Plant Society Inc. currently holds meetings in New South Wales, the Australian Capital Territory and Queensland. Meetings are a great place for members and friends to socialise, share experiences, buy, swap, and sell carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering carnivorous plants in the wild, or how best to cultivate them in your environment.

We hope you can attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

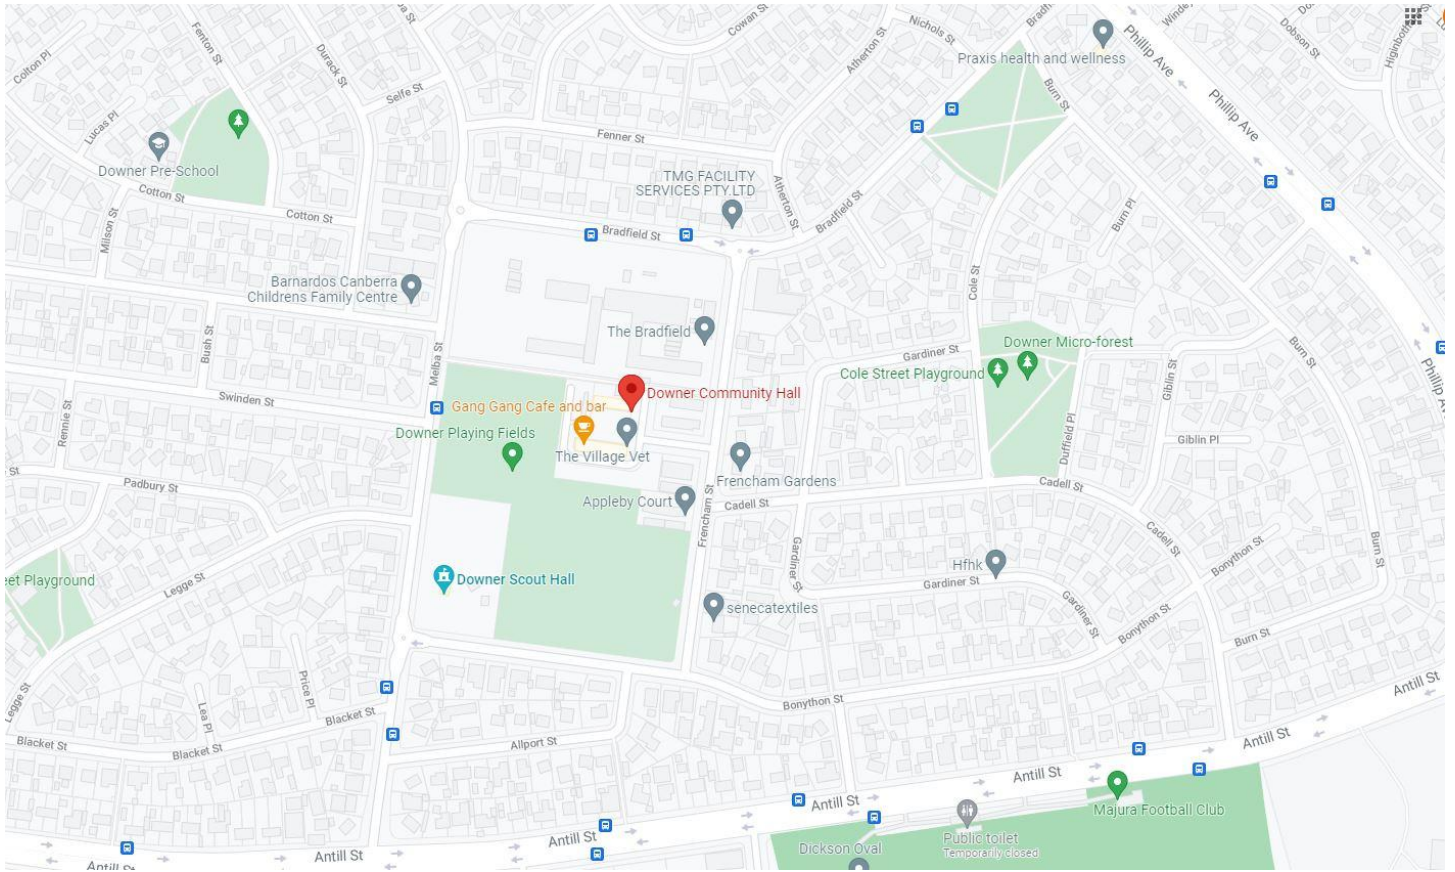

## **SYDNEY**

The Sydney chapter of the AUSCPS meets at 7:30 PM on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood, NSW. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Kirk on 0421 271 888 or David on 0410 643 531 if you have any questions about attending meetings.

# CANBERRA

The Canberra chapter of the AUSCPS meets at 7:30 PM on the first Friday of each month at the Dickson Community Hall, Frencham Place, Downer, A.C.T. Contact John Nielson [zelotypia.stacyi@gmail.com](mailto:zelotypia.stacyi@gmail.com) or Cassie Rogers [bonnie.nepenthes@gmail.com](mailto:bonnie.nepenthes@gmail.com) if you have any questions about attending meetings.

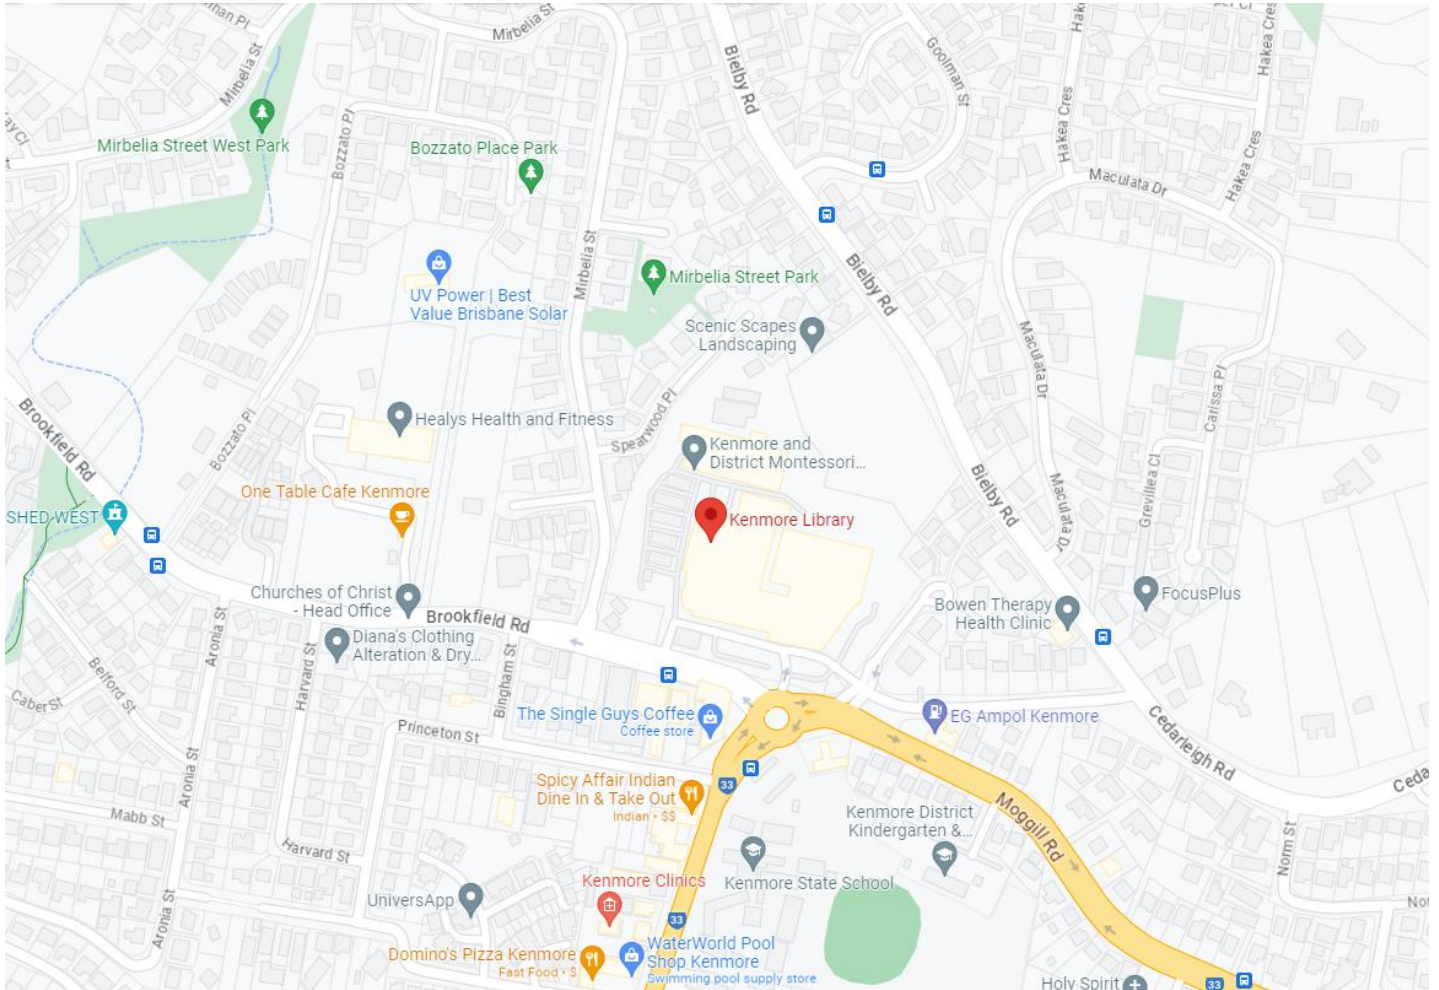

## BRISBANE

The Brisbane chapter of the AUSCPS meets at 7:00 p.m. on a Wednesday once a month (please refer to the calendar for dates) at the Kenmore Library, Kenmore Village, 9 Brookfield Road, Kenmore, QLD, 4069

Please contact Alan at [alanjhaase@gmail.com](mailto:alanjhaase@gmail.com) for further details.

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.

HELD ON FRIDAY, 4th AUGUST, 2023

DOWNER COMMUNITY CENTRE

**PRESENT**

There were 9 members in attendance.

This meeting was the first hosted by Cassie Rogers, where the theme was "Open Night".

We all had the opportunity to discuss what's in our collections and to share growing tips for plants that thrive in our local conditions, including tips for frost protection. While this time of the year it is difficult to show plants that generally look good in the warmer months, a variety of unique species were brought in by Cassie. They were *Utricularia sandersonii*, *Catopsis berteroniana*, *Pinguicula gigantea*, and *Drosera hookeri*.

Cassie won "plant of the month" with her *Catopsis berteroniana*.

Overall, it was a fun and informative evening for all involved.

Top - Variety of plants on display for discussion.

Right - Cassie Rogers with her winning 'Plant of the Month' - *Catopsis berteroniana*

**MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.**

**HELD ON WEDNESDAY, 9<sup>th</sup> AUGUST, 2023**

**KENMORE LIBRARY, KENMORE VILLAGE, 9 BROOKFIELD ROAD, KENMORE, QLD.**

The meeting opened at 7:00 p.m.

**PRESENT**

There were 11 members in attendance.

**MINUTES OF PREVIOUS MEETING**

The minutes of the previous meeting were presented in the July 2023 issue of *Carniflora News*. Members were asked for comment, which would be considered. If no comments were made the draft minutes were deemed to be accepted by the end of the meeting.

**GENERAL BUSINESS**

Brent James presented a number of videos and produced a slide show of his trip to Japan to the ICPS as well as in search of some rare *Pinguicula* growing on the sides of a cliff. The members all voted on their favourite plant of the month.

Members were presented with information that the next field trip would be in September and that details of this would be coming at the next meeting.

**PLANT OF THE MONTH**

There were a number of plants that were brought in for the first Plant of the Month showing. This time the winner was .

*Drosophyllum lusitanicum* – grown by Dave Freeman

The meeting closed at 9:00 p.m. **and members adjourned.**

The next meeting to be held at the Kenmore Library starting at 7.00 p.m on Friday, 20th September.

Confirming that these minutes are a true and accurate record of the meeting

David Freeman with his winning 'Plant of the Month' - *Drosophyllum lusitanicum*

## AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC – SYDNEY CHAPTER

---

### MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.

HELD ON FRIDAY, 11<sup>th</sup> AUGUST, 2023

WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD

The meeting opened at 7:50 p.m.

#### PRESENT

There were 12 members and 3 non members in attendance.

#### APOLOGIES

Helmut Kibbelins, Glenn Carson, Wesley Fairhall

#### MINUTES OF PREVIOUS MEETING

The minutes of the 14<sup>th</sup> July, 2023 meeting were tabled. Those present were asked to confirm the accuracy of the minutes and to suggest changes, omissions or corrections. In the absence of any corrections, omissions or changes a motion was raised that the minutes be accepted.

Moved by: Robert Gibson  
Seconded by: Kirk 'Fuzzy' Hirsch  
Motion: Carried

## BUSINESS ARISING/GENERAL BUSINESS

1. Our stall at Kariong Rare Plant Fair has been paid for. We have a double stall. We also have four additional passes for volunteers, for a total of six to attend our stall at any given time. Volunteers have free entry and get time to shop several minutes before the masses enter the gates. It's on the 16<sup>th</sup> and 17<sup>th</sup> of September. Dave is available on Saturday 16<sup>th</sup>.
2. We have paid for the annual summary of financial affairs submitted Services NSW so that we can be an incorporated society.
3. Wollondilly Shire Council is putting on a plant fair and garden expo on the 30<sup>th</sup> October 2023, at the Picton Botanic Gardens, Regreme Road, Picton. The fees for a stall are quite reasonable. The details of the event are in the society's g-mail account, under the 'Events' folder. Dave will follow up for our society to attend. The organisers are not taking registrations as yet.
4. The society has been invited by Daniel Webb ( 0424 924 992, [dan@107.org.au](mailto:dan@107.org.au) ) of 107 at Green Square to their 'Plant Party' for the 9th September, 2023. The event is, in essence, a plant collector's fair, but with a bit of a difference. In addition to a variety of plant vendors who will be in attendance, the event will host guest speakers, artistic workshops with a botanic focus and a curated floral display competition, open to gardening clubs and societies of Sydney and their members. Entry is free. Cash prizes for societies for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place displays. Individuals who enter may utilise our insurance form from the Gardens Club to cover themselves if they come under the banner of our society. No members were available to display and inability to attend to be communicated.

One of the sellers who regularly attends Clarendon has organised a plant fair in late October at Hartley Vale and has invited our society to it. Our two members who sell plants in the Lithgow area could not attend, so we have declined this year. The event will be on again in 2024. The stall will be free.

5. We have moved the Annual Show this year from the Friday afternoon to the following Saturday 9<sup>th</sup> of December from 9am to 3pm. Normal monthly meeting is still on Friday 8<sup>th</sup> December. The venue will be in another room, not in the meeting room we currently use.
6. We have field guides for Sydney, Canberra and Melbourne area, Melbourne is now out with copies available. Copies available \$20.00 for non-members and \$15.00 for members. Work continues on the almost complete Cairns field guide, but printing will be on hold till 2024, and Brisbane field guide is 70% done.
7. A 4/5-day trip to Darwin is being organised in May 2024 with Dave and Steve from the Victorian society and people are welcome to join if interested.
8. Dave has mentioned organising a field trip with society members looking for CPs in the Blue Mountains area possibly 24<sup>th</sup> September. Dave is still organising the trip.
9. Robert Gibson asked for articles for our biannual journal to members. He has enough for September's journal, yet more articles for future publications are always welcome. He is currently organising the current journal for release. Robert has finished the September 2023 journal and it's currently being reviewed. Exciting new articles await!

## From the floor:

10. Marlon gave talk to Mosman Garden Club, went over well and possibly opportunity for further talks in regards to CP growing.
11. ACPS business cards to be reprinted with QR code to hand out. Linked to website. Dave to do.
12. Marina to look into a second card reader to be purchased for the society. Hopefully before Kariong show. Approved by executives present.

## CORRESPONDENCE

### INCOMING:

Our Gardens Magazine Spring 2023 Issue from The Gardens Clubs of Australia.

### OUTGOING:

AGM & financial report submitted to Service NSW, annual fee paid \$50.00

## TREASURER'S REPORT

There's \$4000 in the bank.

\$50.00 reimbursement to Fuzzy for Services NSW fee paid

## MEMBERSHIP REPORT

There are presently 78 members currently for 2023. Everyone has access to journals or has access to the .pdf, including other societies that share their journals with us.

## PLANT OF THE MONTH

The theme for August's 'Plant of the Month Competition' is *Drosophyllum*, *Roridula* and perennial *Byblis*. Members entered the following plants:

<i>Drosophyllum luscitanicum</i>	(1)
<i>D. luscitanicum</i>	(7)

The winner was: *Drosophyllum luscitanicum* grown by Brett Daly.

Fuzzy gave talk on *Drosophyllum* and *Roridula*, geographical regions, conditions, growing guidelines, etc.

The meeting closed at 8:25 p.m.

The next meeting will be on Friday, 8th September and the next 'Plant of the Month' will be Australian native carnivorous plants.

David Colbourn

President

Date: \_\_\_\_\_

*Drosophyllum lusitanicum*

**Plant of the Month** *Drosophyllum lusitanicum*  
- grown by Bret Daly

## IN THE GREENHOUSE

### **ALDROVANDA**

Plants will end their dormancy. Turions will commence growth and start to appear on the surface of the water.

### **BROCCHINIA / CATOPSIS**

Maintain high light levels and humidity. Protect from frost. Feed with 1/4 strength urea free liquid fertiliser.

### **BYBLIS**

*Byblis gigantea* and *lamellata* will be in full growth. Flowering begins. Cross-pollinate flowers using the "Buzz" technique. Keep the soil moist.

The northern annual species of *Byblis* may be sown now. Germination commences when temperatures regularly reach 30°C. Artificial heat and/or smoke/GA3 treatment will induce germination.

### **CEPHALOTUS**

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Flowering occurs in mid to late Spring.

## **DARLINGTONIA**

*Darlingtonia* will end dormancy and commence growth. Keep moist and expose to cold temperatures for as long as possible. Stratified seed will begin to germinate.

## **DIONAEA**

All VFTs will end dormancy and commence growth with fresh leaves and flowers. Consider removing the flower spike and use for vegetative propagation.

## **DROSERA**

Tuberous *Drosera* are near the end of the growth cycle, with the tall growing species in flower. Pollinate the flowers. Keep the pots moist.

Pygmy *Drosera* are in leaf production phase with some species flowering. Keep plants moist to wet.

Other Winter growing species such as *D. ramentacea*, *cistiflora* and *pauciflora* will be in active growth and flower. Keep the pots moist.

Tropical and sub-tropical species will be in growth. Keep protected from frost. Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* will emerge from dormancy.

## **DROSOPHYLLUM**

*Drosophyllum* will be in active growth. *Drosophyllum* tolerates higher soil moisture levels during the cooler months and may be watered using the tray method. Flowering commences in Spring. Flowers are self-fertile.

## **GENLISEA**

*Genlisea* should be in flower and active growth. Keep the water levels high with these species. Keep protected from frost.

## **HELIAMPHORA**

Keep plants in a bright and humid location. Light levels may be increased with the cooler nights. Feed with 1/4 strength urea free liquid fertiliser.

## **NEPENTHES**

Spring is a great time for *Nepenthes*. Aim to keep the lowland plants above 15°C. Spotting of the leaves is a sign of temperatures being too low.

Highland species enjoy the cooler nights and will continue to grow. Keep plants above 5°C.

## **PINGUICULA**

Mexican species/hybrids are dormant. Look out for the Summer carnivorous leaves in the coming months. Keep the soil drier. Some of the non-carnivorous leaves may be removed for leaf cuttings.

Warm-temperate species such as *P. primuliflora* and *P. lusitanica* will continue growth. Flowering occurs in the Spring. Keep the water up to *P. primuliflora* and take leaf cuttings.

## **RORIDULA**

*Roridula* is in active growth. Flowering occurs in winter and spring. Sow seed now onto moist peat/sand. Germination may take 3-8 weeks. Keep the soil moist and place in very bright situations. Ensure good air circulation to avoid fungal attack of the seedlings.

## **SARRACENIA**

All *Sarracenia* species/hybrids will resume growth with fresh leaf shoots and flowers. *Sarracenia flava* and *oreophila* species look their best in spring. Increase the water level / frequency and keep in full sun.

## **UTRICULARIA**

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet.

Flowering will resume. Aquatic *Utricularia* will resume growth.

Winter growing species, such as *U. multifida* and *U. menziesii* will be in active growth and in flower.

Tropical *Utricularia* - Maintain higher temperatures, humidity, and air movement. Keep soils moist.

## **MERCHANDISE**

### **CONTACT CARDS**

The Society now produces a business sized card with all our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

### SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc., that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Marlon Maclean at [marlonjamesmaclean@gmail.com](mailto:marlonjamesmaclean@gmail.com)

### SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Manager is Marlon Maclean at [marlonjamesmaclean@gmail.com](mailto:marlonjamesmaclean@gmail.com). The seed bank list is contained at the end of this newsletter.

### POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

## THE SAVAGE GARDEN

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$35 and to non-members for \$40. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at [auscps@gmail.com](mailto:auscps@gmail.com) to order.

### FIELD GUIDE TO THE CARNIVOROUS PLANTS OF SYDNEY AND THE BLUE MOUNTAINS

Available now: email [auscps@gmail.com](mailto:auscps@gmail.com)

Members \$15

Non-Members \$20

**FIELD GUIDE TO THE CARNIVOROUS PLANTS  
OF CANBERRA AND THE SNOWY MOUNTAINS**

Available now: email [auscps@gmail.com](mailto:auscps@gmail.com)

Members \$5

Non-members \$10

**FIELD GUIDE TO THE CARNIVOROUS PLANTS  
OF CAIRNS AND THE ATHERTON  
TABLELANDS**

To be released in 2023

**FIELD GUIDE TO THE CARNIVOROUS PLANTS  
OF MELBOURNE AND THE MORNINGTON  
PENINSULA**

To be released in 2023

**FIELD GUIDE TO THE CARNIVOROUS PLANTS  
OF BRISBANE AND THE SUNSHINE COAST**

To be released in 2024.

# MEMBERSHIP FORM

The Australasian Carnivorous Plant Society Inc. is a non-profit organisation formed in December 2002 to promote the education, cultivation and conservation of carnivorous plants. The Society formed from the New South Wales Carnivorous Plant Society Inc. which was established in 1986 and produced the journal *Flytrap News*.

Annual membership entitles you access to our subsidised seed bank and merchandise, ability to sell plants on official stalls at which the society participates, free entry to our Annual Show competition, monthly E-newsletters, and two editions of ***Carniflora Australis***, our high quality biannual journal. Membership is \$35 per year, however if you wish to receive electronic versions of the journal, membership is only \$25 per year (valid email address is required). Payment options are detailed below:

## CASH, MONEY ORDER OR CHEQUE

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:

Membership Secretary  
Australasian Carnivorous Plant Society Inc.  
PO Box 70, Burwood, NSW 1805 AUSTRALIA

## DIRECT DEPOSIT

Banking details are below. Please add your email address and name as payment reference. Alternatively, email the Membership Secretary at [auscps@gmail.com](mailto:auscps@gmail.com) to advise of your payment and attach the completed form below:

Acc. Name: Australasian Carnivorous Plant Society Inc.  
Acc. BSB: 112879  
Acc. Number: 195074412  
Ref: Use your name and email address

## PAYPAL

Use the "Send Money" tab to make your payment. Use the current PayPal email address [auscps@gmail.com](mailto:auscps@gmail.com). Set your fee (depending upon membership option). *Add your name, mailing address, email address and phone number in the notes tab.* You will receive an automatic receipt from PayPal.
