CALENDAR

MAY		
	3rd May 2024	AUSCPS meeting - Canberra featuring tuberous sundews.
	1st May 2024	AUSCPS meeting - Brisbane featuring <i>Pinguicula</i> . Alternative media and grow spaces (Garden beds, terrariums, aquariums) by Ben Timmings.
	10th May 2024	AUSCPS meeting - Sydney featuring <i>Nepenthes</i> .
JUNE		
	7th Jun 2024	AUSCPS meeting - Canberra featuring <i>Sarracenia</i> winter care.
	5th Jun 2024	AUSCPS meeting - Brisbane.
	14th Jun 2024	AUSCPS meeting - Sydney featuring <i>Cephalotus</i> , <i>Heliophora</i> and Carnivorous <i>Bromeliads</i> .
JULY		
	5th Jul 2024	AUSCPS meeting - Canberra featuring open discussions.
	3rd Jul 2024	AUSCPS meeting - Brisbane.
	12th Jul 2024	AUSCPS meeting - Sydney featuring winter growing <i>Drosera</i> and <i>Utricularia</i> and Winter Show.
	12th Jul 2024	AUSCPS Annual General Meeting - Sydney.
AUGUST		
	2nd Aug 2024	AUSCPS meeting - Canberra featuring butterworts and bladderworts.
	7th Aug 2024	AUSCPS meeting - Brisbane.
	9th Aug 2024	AUSCPS meeting - Sydney featuring <i>Drosophyllum</i> , <i>Roridula</i> and <i>perennial Byblis</i> .
SEPTEMBER		
	6th Sep 2024	AUSCPS meeting - Canberra featuring non-tuberous sundews.
	13th Sep 2024	AUSCPS meeting - Sydney featuring Australian native carnivorous plants.
	Sep 2024	Kariong Plant Lovers Fair TBA.
	4th Sep 2024	AUSCPS meeting - Brisbane.
OCTOBER		
	4th Oct 2024	AUSCPS meeting - Canberra featuring tropical pitcher plants.
	11th Oct 2024	AUSCPS meeting - Sydney featuring <i>Utricularia</i> and <i>Genlisea</i> .
	2nd Oct 2024	AUSCPS meeting - Brisbane.
NOVEMBER		
	1st Nov 2024	AUSCPS meeting - Canberra.
	8th Nov 2024	AUSCPS meeting - Sydney featuring <i>Sarracenia</i> .
	6th Nov 2024	AUSCPS meeting - Brisbane.
DECEMBER		
	6th Dec 2024	AUSCPS meeting - Canberra.
	4th Dec 2024	AUSCPS meeting - Brisbane.
	14th Dec 2024	AUSCPS Sydney Annual Show (Saturday).
JANUARY		
	3rd Jan 2025	AUSCPS meeting - Canberra.
	8th Jan 2025	AUSCPS meeting - Brisbane.
	10th Jan 2025	AUSCPS meeting - Sydney featuring <i>Dionaea</i> & <i>Aldrovanda</i> .
FEBRUARY		
	7th Feb 2025	AUSCPS meeting - Canberra.
	12th Feb 2025	AUSCPS meeting - Brisbane.
	14th Feb 2025	AUSCPS meeting - Sydney featuring summer growing <i>Drosera</i> and Annual <i>Byblis</i> .
MARCH		
	7th Mar 2025	AUSCPS meeting - Canberra.
	12th Mar 2025	AUSCPS meeting - Brisbane.
	14th Mar 2025	AUSCPS meeting - Sydney featuring <i>Pinguicula</i> .
APRIL		
	4th Apr 2025	AUSCPS meeting - Canberra
	9th Apr 2025	AUSCPS meeting - Brisbane
	11th Apr 2025	AUSCPS meeting - Sydney featuring <i>Sarracenia</i> and <i>Darlingtonia</i> .
	TBA Apr 2025	Clarendon Collectors' Plant Fair.

NEWS

MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not for profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and

JOIN NOW!

abroad.

Membership entitles you to two editions of our journal, *Carniflora Australis*, 12 editions of our monthly newsletter, *Carniflora News*, subsidised seed from our seed bank, discounts on books and other merchandise, access to our free library and to sell plants at fairs and events attended by the Society. A membership form is included in this newsletter with instructions on how to make payment.

VALE ZABRINA KIBELLIS

The society is saddened to hear of the passing of Zabrina Kibellis on the 13th of April, 2024. Zabrina was the wife of Helmut Kibellis, and was a long-term supporter of Helmut and his passion for *Pinguicula* and of the society in general. She had her own interests, and had a great sense of humour. Zabrina's family lives in Singapore where Helmut and her often visited the families.

We send our condolences to Helmut and their families, and for the friends who were touched by Zabrina's grace.

INSTAGRAM PHOTOS

We are looking to expand our file of quality photographs used in the newsletter and on our Social Media platforms. If you have any photos that you think may be suitable for publication, please forward them to glenncarson@iinet.net.au

[#australasiancarnivorousplantsociety](https://www.instagram.com/australasiancarnivorousplantsociety)

ARTICLES FOR CARNIFLORA AUSTRALIS

We are getting a little light for articles in forthcoming editions of *Carniflora Australis*. If you have an idea for an article, put pen to paper and send us your contribution. We can help fine tune any submission.

You may like to write about the following:

- * particular cultivation techniques,
- * field trips to see carnivorous plants,
- * propagation techniques,
- * your favourite plant and why,
- * how your collection started, and
- * feeding and conditions.

SEEDBANK

The current list of seeds in the Seedbank is very large. Rather than bring it to every meeting, which can be difficult, it is recommended that seeds are ordered via email. After payment has been received the specific order can be brought along to the meetings or posted in the normal way.

CLARENDON COLLECTORS' PLANT FAIR

Hi all,

Thank you for participating in this year's CPF. The CPF is a mutual event which allows our members to make a little money off their hobby and for the Society to boost our coffers and promote what we do.

These are the raw figures from the fair.

Total Sales - \$20507.90

Total Plant Sales - \$19952

Total Sundry - \$605.90 (books, potting mix, membership. includes \$50 paid to Dan for outstanding invoice)

Commission from Plant Sales (10%) - \$1995.20

Card Fees - \$200.50

Society Earnings - \$2400.60 (commission plus Sundry minus card fees)

Society net Earning - \$1410.60 (Gross earning minus cost of stall (\$990))

This is an increase in total sales of \$1518.90 which is an 8% increase from last year.

Notes for Wes - Marina will be depositing \$1322 and I will deposit \$1221 which equals \$2543.

The new Float total is \$495.50.

Thank you for everything you've done. The event is vital to our financial success and we can't do it without your help.

Please provide feedback on what we did well and what we can improve on.

There are no dates for 2025 but Dan indicated they will not clash with Easter or the Royal Easter Show and will not be late in April. Therefore, we can expect the CPF to be on the weekend on 6-7/4/25 or the week earlier. There may also be a new venue somewhere in Western Sydney. Stay tuned.

Regards

PLANT SOCIETY**

WINTER SHOW

FREE ENTRY

SYDNEY
7:30pm, Friday 14th June 2024
Woodstock Community Centre, Fitzroy Street, Burwood.

THE ROYAL EASTER SHOW

The AUSCPS sponsors the Carnivorous Plant competition at the Royal Easter Show in Sydney. The Show ran from the 22nd March to the 2nd of April 2024 with the Carnivorous Plant competition being held on Friday the 22nd of March. The displays were there until Saturday the 23rd of March. There was a good number of entrants this year. The winners were:

Back 3 Rows - CLASS 164 - *Sarracenia*, single species or hybrid, minimum 3 pitchers, in pot not exceeding 200mm.
Front row - CLASS 165 - *Utricularia* and *Genlisea*, single species, in pot not exceeding 200mm.

CLASS 160 - *Dionaea* (Venus Fly Trap), single cultivar, in pot not exceeding 200mm.

Right - CLASS 166 - Australian Native carnivorous plant, single cultivar, in pot not exceeding 200mm.
Left - CLASS 167 - Carnivorous Plant, other, single species in pot not exceeding 200mm.

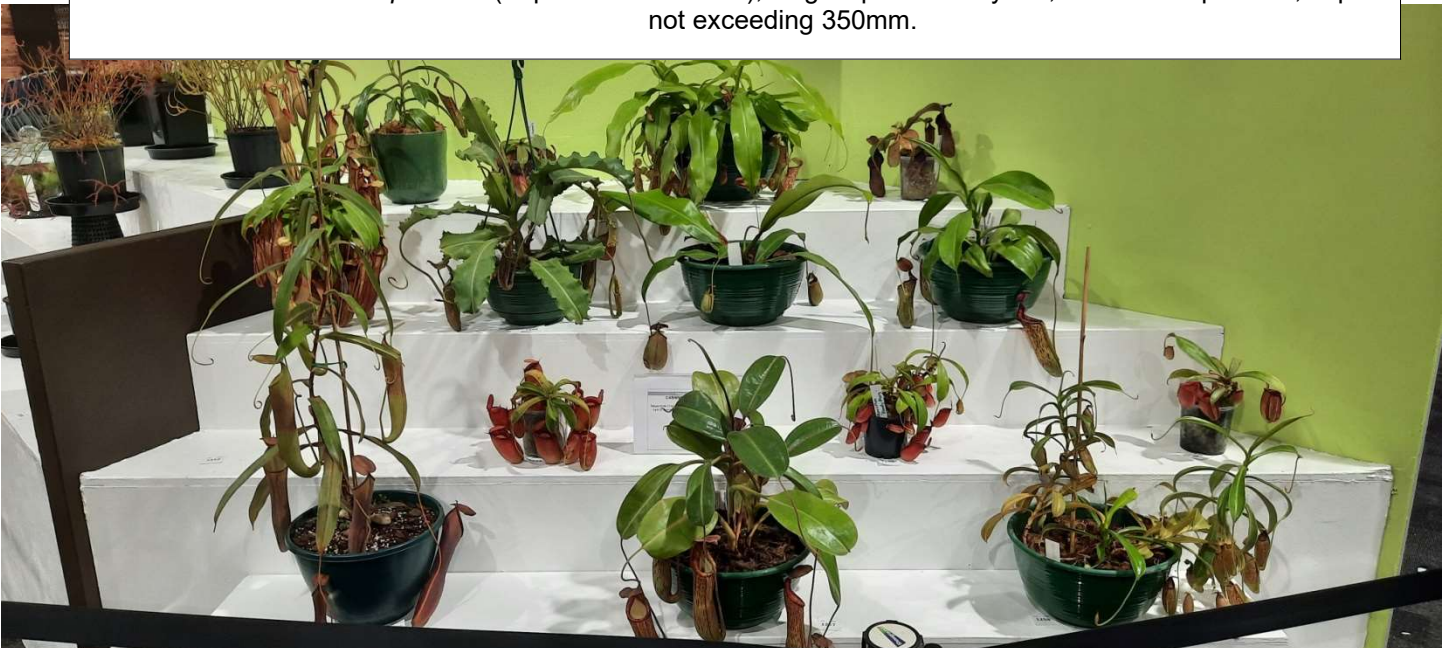

CLASS 163 - *Pinguicula* (Butterwort), single species, in pot not exceeding 200mm. At Back

CLASS 161 - *Drosera* (Sundew), single species, in pot not exceeding 200mm.

CLASS 162 - *Nepenthes* (Tropical Pitcher Plant), single species or hybrid, minimum 3 pitchers, in pot not exceeding 350mm.

MEETINGS

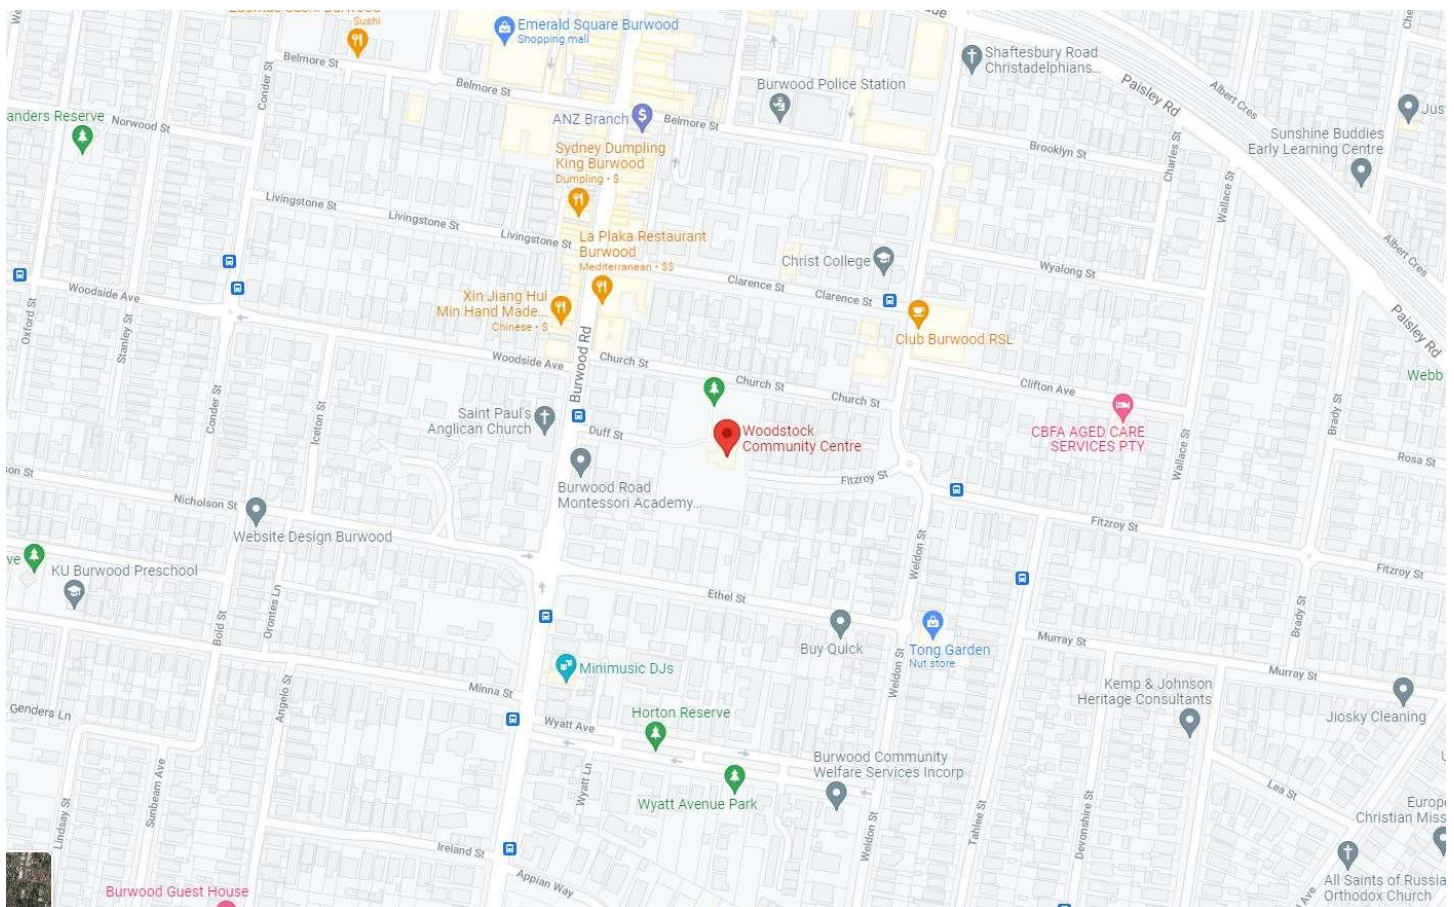

The Australasian Carnivorous Plant Society Inc. currently holds meetings in New South Wales, the Australian Capital Territory and Queensland. Meetings are a great place for members and friends to socialise, share experiences, buy, swap, and sell carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering carnivorous plants in the wild, or how best to cultivate them in your environment.

We hope you can attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

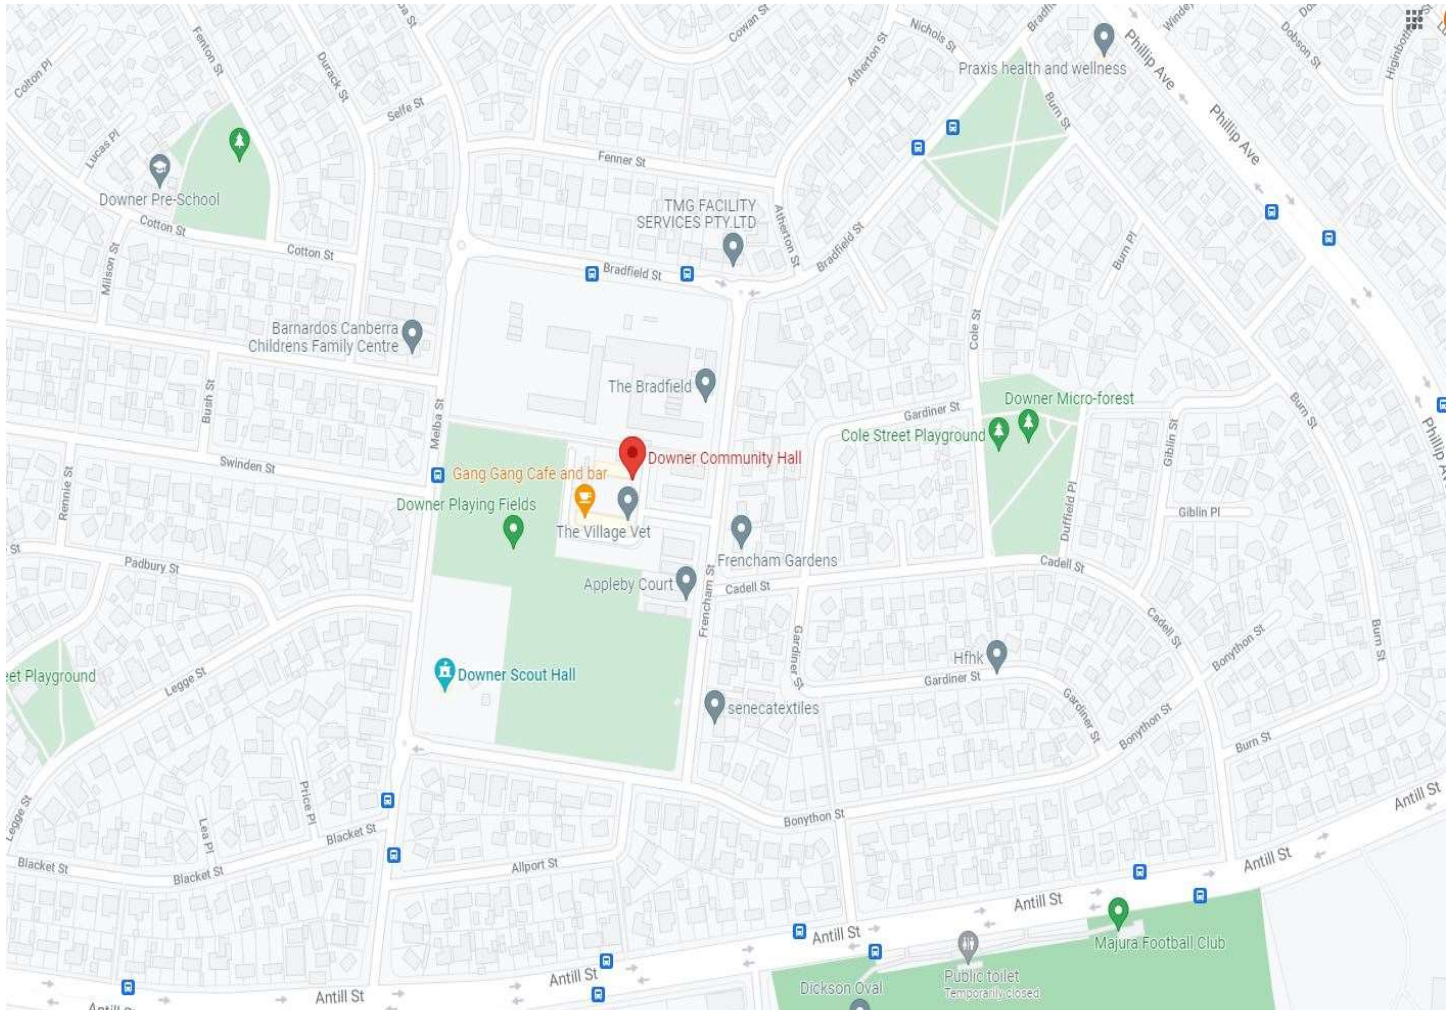

SYDNEY

The Sydney chapter of the AUSCPS meets at 7:30 PM on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood, NSW. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Kirk on 0421 271 888 or David on 0410 643 531 if you have any questions about attending meetings.

CANBERRA

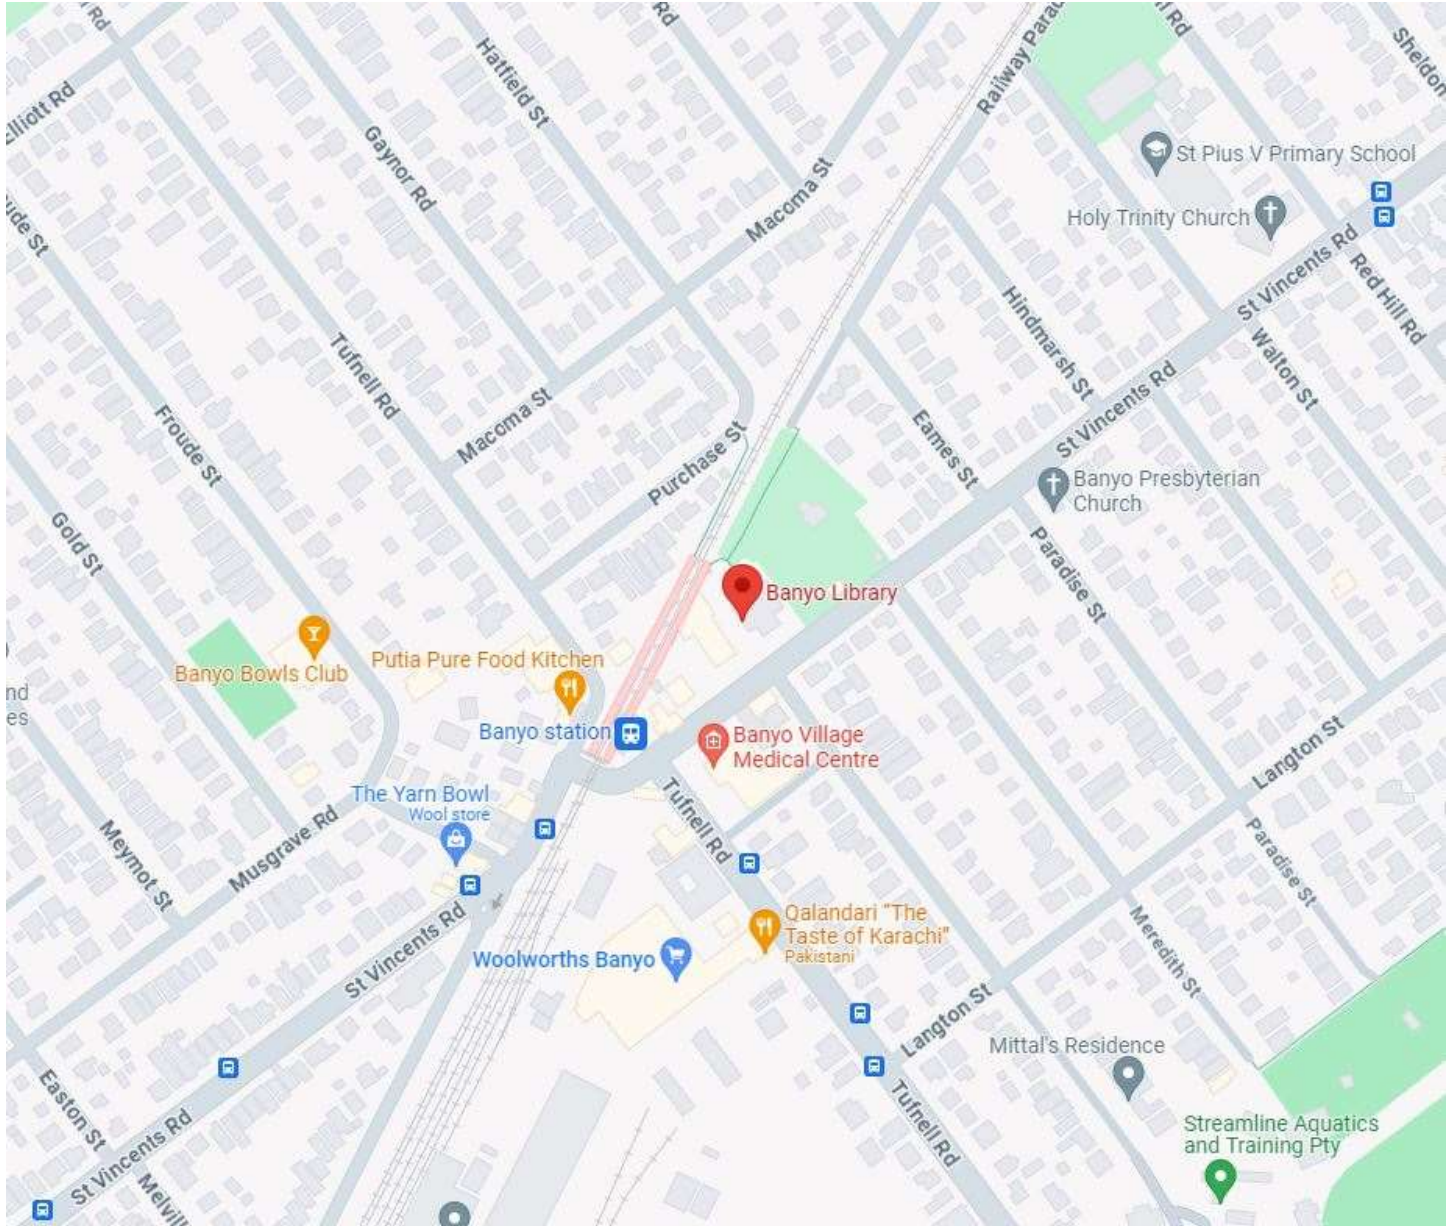

The Canberra chapter of the AUSCPS meets at 7:30 PM on the first Friday of each month at the Dickson Community Hall, Frencham Place, Downer, A.C.T. Contact Mathew Day if you have any questions about attending meetings. Canberra Convenor auscps-CBR@gmail.com

BRISBANE

The Brisbane chapter of the AUSCPS meets at 7:00 p.m. on a Wednesday once a month (please refer to the calendar for dates) at the Banyo Council Library, Meeting Room 2, 284 St Vincents Road, Banyo QLD, 4014.

Please contact Liam at liamkrieger71@gmail.com or on 0429850774 for further details.

MINUTES FRIDAY, 5th of APRIL, 2024

AT

DOWNER COMMUNITY HALL, FRENCHAM PLACE, DICKSON

The meeting opened at 7:30 p.m.

PRESENT

There were 15 attendees

APOLOGIES

Cassie Rogers and Robert Little

GENERAL BUSINESS

A small gathering last night. The theme was *Sarracenia leucophylla* which ended up being the significant winning factor for 'Plant of the Month' between Ross' typical *S. leucophylla* and Bastien's awesome looking *Nepenthes truncata* 'Giant' x *edwardians* (EP).

Other plants on display were a very tall *S. leucophylla* (1010mm), *S. moorei* with a spider, *S. alata* and a hybrid of *S. alata* x *leucophylla* for Ocean Springs. Seeds (open pollinated) of each plant were kindly donated and distributed to those attending.

A couple of *pinguiculas* were also on display by Ross.

MINUTES WEDNESDAY, 3rd of APRIL, 2024

AT

BANYO COUNCIL LIBRARY, MEETING ROOM 2, 284 ST VINCENTS ROAD, BANYO

The meeting opened at 7:00 p.m.

PRESENT

There were 17 attendees

APOLOGIES

Paul and Ben

MINUTES OF PREVIOUS MEETING

The minutes of the previous meeting of the 6th March, 2024 were tabled and accepted

Moved by: Brent Jones
Seconded by: Peter Johnson

GENERAL BUSINESS

1. Housekeeping: Reminder Bunnings Sausage Sizzle (Saturday 8th of June), please give names to Liam with available times and preferred job, list of sellers; Northern Districts Horticultural Society (Monday 29th April evening)
2. Presentation: Dave Freeman – Nepenthes cuttings
3. Sales and Judging: Plant of the Month for judging is “Grower’s Choice”

CORRESPONDANCE

Incoming: Email from Noel Prior President of Northern Districts Horticultural Society Inc
Outgoing: Nil

Guest speaker / presenter: Dave Freeman

Topic: Nepenthes cuttings

Plant of the month (Grower’s Choice):

- **Focus plant category winner:** Liam Ferdinands with *Sarracenia*

Next meeting: Wednesday 1st May 7-9pm featuring *Pinguicula*

Meeting closed at: 8:15pm

MINUTES FRIDAY, 12th of APRIL, 2024

AT

WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD

The meeting opened at 7:45 p.m.

PRESENT

There were 11 members in attendance.

APOLOGIES

Glenn Carson, David Colbourn, Robert Gibson and Kirk Hirsch

MINUTES OF PREVIOUS MEETING

The minutes of the previous meeting of 8th March, 2024 were tabled at this meeting and accepted

Paul Fisher	Moved motion
Ian Wolfe	Seconded the motion.

BUSINESS ARISING / GENERAL BUSINESS

1. Easter Show 2024
The Easter Show display was a success, comment that laminated “Do Not Touch Plants” signs be available for placement. Wesley encouraged members to consider volunteering for a steward, training in judging. Overall plants were of a good standard and a lot of interest was shown from the public.
2. Collectors’ Plant Fair – Clarendon April 2024
Plenty of volunteers available for the Saturday and Sunday. Volunteers can arrive from 7 am onwards, space for plants limited. 2 card terminals will be available for purchases.
3. Expressions of interest for Journal Editor
Any further discussion / reminder
4. Orchid Central Show – October 2024
Carry over to future meeting
5. Winter Show
For discussion at May meeting
6. Request for new Banner for Brisbane chapter as current one missing. Request for business cards with Brisbane meeting details on cards. Suggested email from Brisbane Convenor to committee for approval of purchase by Brisbane chapter and reimbursement, rather than order by Sydney chapter.

CORRESPONDENCE

TREASURER'S REPORT

Society has \$5,748

W. Fairhall Moved

P. Fisher Seconded the motion

MEMBERSHIP REPORT

There are currently 82 members for 2024.

Printed journals appear to becoming more popular.

Everyone has access to journals or has access to the .pdf, including other societies that share their journals with us.

Membership payment for 'Nguyen' received but no application form received.

PLANT OF THE MONTH

The theme for April 'Plant of the Month Competition' is *Sarracenia* and *Darlingtonia*

S. psittacina	(4)
S. minor x flava	(2)
S. minor	(0)
D. "Hawaiian Cocktail"	(6)

The winner was: D. "Hawaiian Cocktail" grown by Yopik.

The meeting closed at 8.34 pm

The next meeting will be on Friday, 10th May, 2024 and the 'Plant of the Month' will be *Nepenthes*.

Next meeting will be held in the Renwick Room in the Woodstock Community Centre.

IN THE GREENHOUSE

ALDROVANDA

Plants will enter dormancy soon and survive winter as floating turion in cold climates.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Fertilise with a diluted foliar application of urea free fertiliser.

BYBLIS

Byblis gigantea and lamellata are now in active growth. Keep the soil moist to wet. Treat seed with Ga3 or smoke water and sow in early autumn.

The northern annual species of Byblis will soon finish their life cycle. Harvest seed.

Growth rates for all species of Byblis may be accelerated with increased prey capture or fertilisation. Place some rotting fruit around the plants or sprinkle granulated fish food onto the leaves. Pollinate the flowers using the “buzz” technique.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Leaf production will soon replace trap production.

DARLINGTONIA

Darlingtonia will soon enter dormancy. Keep the plants cold to prolong the dormancy.

DIONAEA

All VFTs will soon enter dormancy. Dead traps can be removed to allow top soil to breathe. Reduce water but keep moist.

DROSERA

Tuberous Drosera begin to break dormancy. Increase watering and expose to bright or direct light. Treat seed with Ga3 or smoke water and sow in early autumn.

Pygmy Drosera begin to produce gemmae. Harvest and place the gemmae on a peat:sand mix (1:1). Mist spray until the tap root forms.

Other Winter growing species such as *D. cistiflora* and *pauciflora* commence growth. Treat seed with Ga3 or smoke water and sow in early autumn.

Tropical and sub-tropical species will be in full growth and flower. Keep the soil very moist and keep the plants warm. Collect seed and sow onto a peat-based media.

Temperate Drosera such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* enter dormancy and form a winter hibernacula.

DROSOPHYLLUM

Drosophyllum will be in active growth. Growth rates increase with increased prey capture and the cooler weather. Seed may be sown now. Scarify the hard seed coat or pour boiling water over the seed for a few seconds and then soak in water for 24 hours before sowing.

GENLISEA

Genlisea should be in flower and active growth. Keep warm and the water levels high.

HELIAMPHORA

Keep plants in a bright and very humid location. Avoid temperatures over 30°C. Fertilise with a diluted foliar application of urea free fertiliser every 2-4 weeks.

NEPENTHES

Autumn is a good time for Nepenthes. Aim to keep the lowland plants warm to hot and in high humidity. Highland species will enjoy the cooler nights. Mist in the afternoon to reduce air temperatures and increase humidity.

PINGUICULA

Mexican species/hybrids begin to enter dormancy and produce small succulent rosettes. Reduce watering and humidity.

Warm-temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula is in active growth. Flowering ends. Harvest any seed and sow in autumn. Keep the soil moist and place in a very bright and airy situation with low humidity.

SARRACENIA

Sarracenia will soon enter dormancy. Leave the old trap on the plant. Keep moist.

UTRICULARIA

Most terrestrial Utricularia will be in active growth and flower. Keep moist to wet. Aquatic Utricularia are in active growth. Keep algae under control.

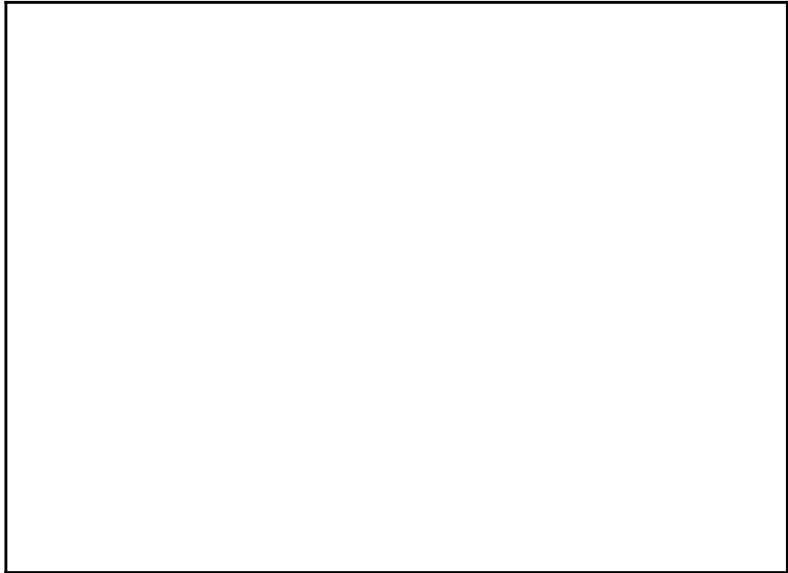

Winter growing species, such as *U. multifida* and *U. menziesii* resume growth. Keep moist to wet.

Tropical Utricularia - Maintain higher temperatures, humidity and air movement. Keep soils moist.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

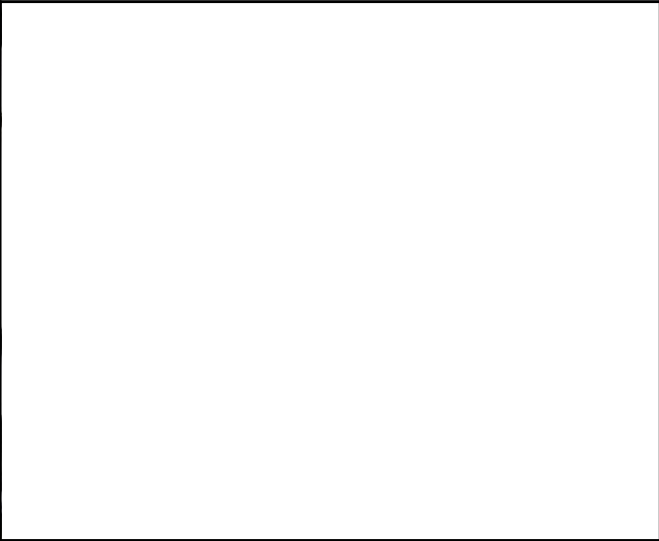

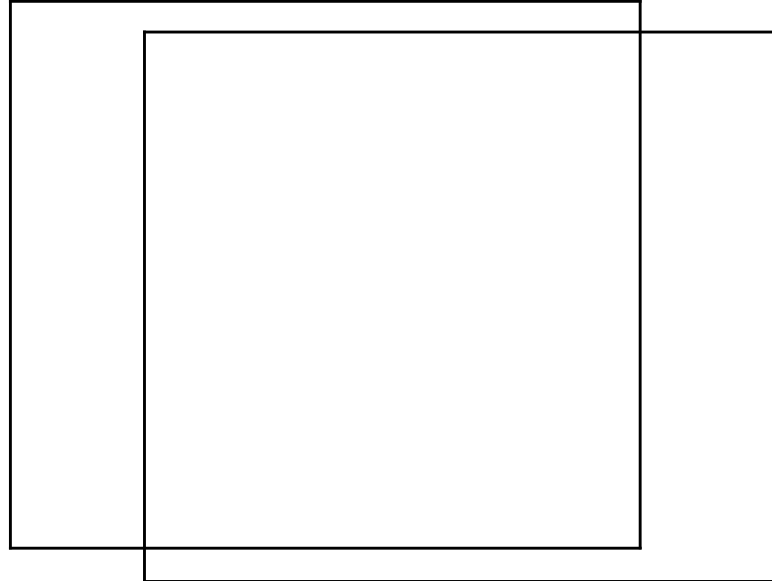

BASEBALL CAPS

Baseball caps printed with our logo on the front and name on the back are now available on order for \$35 each. To order, contact David at auscps@gmail.com

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc., that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Marlon Maclean at marlonjamesmaclean@gmail.com

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Manager is Marlon Maclean at marlonjamesmaclean@gmail.com. The seed bank list is contained at the end of this newsletter.

POTTING MIXES

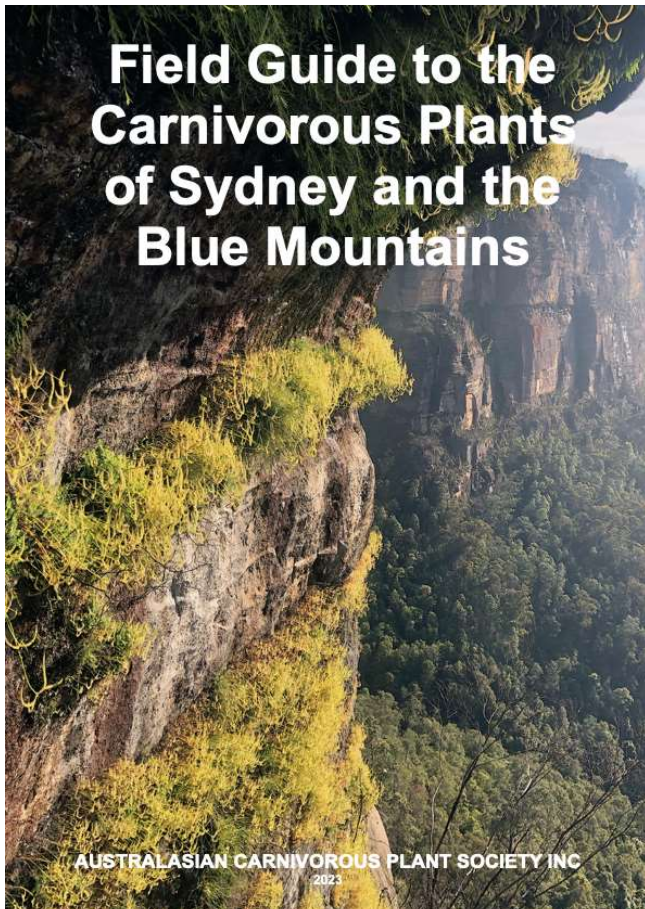

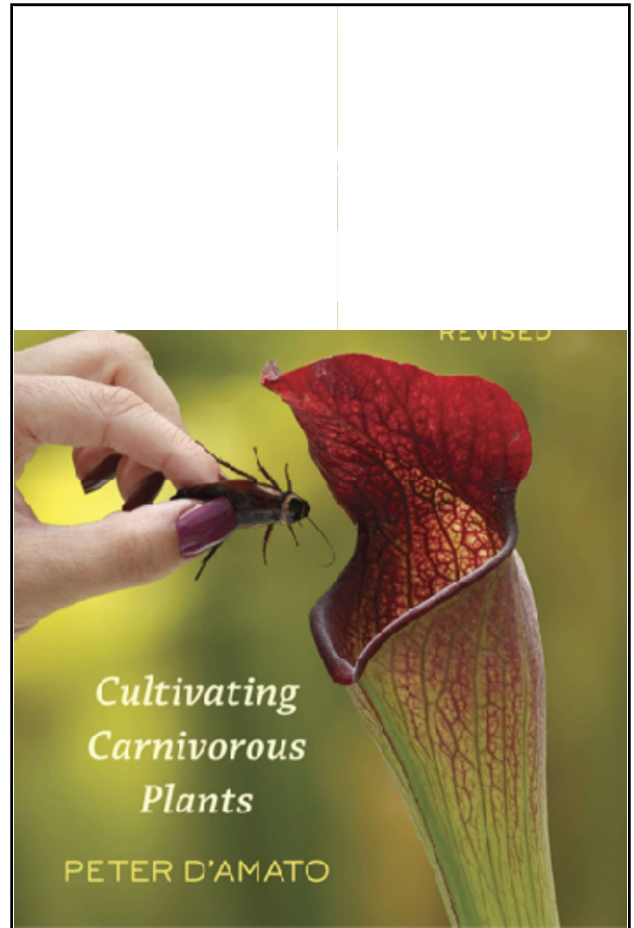

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

THE SAVAGE GARDEN

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$35 and to non-members for \$40. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at auscps@gmail.com to order.
